SECTION 63.71 APPLICATION

Broadwing Communications, LLC, CenturyLink Communications, LLC, Global Crossing Telecommunications, Inc., Level 3 Communications, LLC, Level 3 Telecom, TelCove Operations, LLC and WilTel Communications, LLC (collectively, "Lumen")[1] hereby apply for authority pursuant to Section 63.71 of the Federal Communications Commission's (Commission) rules, 47 C.F.R. § 63.71, and Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, to grandfather certain voice services (Affected Services) provided by the Lumen CLEC affiliates identified in the attached Appendix in all 50 states, Washington, D.C., Puerto Rico, and any international locations where offered.

[1] Applicants are competitive local exchange carrier and interexchange carrier subsidiaries of Lumen Technologies, Inc. (FRN: 0018-6268-53).

APPLICATION

Lumen submits the following information in support of its Application:

1. Name and address of carrier

CenturyLink Communications, LLC
100 CenturyLink Drive
Monroe, Louisiana 71203

Broadwing Communications, LLC; Global Crossing Telecommunications, Inc.; Level 3 Communications, LLC; Level 3 Telecom; TelCove Operations, LLC; WilTel Communications, LLC
931 14th Street
Denver, Colorado 80202

2. Date of planned service discontinuance, reduction or impairment

As of January 8, 2027, or as soon after that date as authorized by regulatory authorities, Voice Complete will no longer be available for new orders; the company will only accept certain service change requests in limited situations, such as service disconnects or changes required by a contract. In addition, Lumen Cloud Communications will no longer be available for new orders; the company will only accept certain service change requests in limited situations, such as service disconnects, or changes required by a contract or for maintenance and ongoing support of telephone numbers during the term of service and migration. For all Affected Services, contracts will convert to month-to-month when current terms expire, subject to the provisions of individual contracts.

3. Points of geographic areas of service affected

Lumen seeks authority to grandfather the Affected Services in all 50 states, Washington D.C., Puerto Rico, and any international locations where offered.[2]

---

[2] As noted in the customer notices, the Affected Services may be offered internationally. Grandfathering of those services will be separately addressed in a Section 63.19 filing. 47 C.F.R. § 63.19(a)(2).

4. Brief description of the types of services affected

The Affected Services are:

Voice Complete is the SIP-based provisioning of inbound local calling and toll free/freephone capabilities, and outbound local, domestic, national, and international calling capabilities. Customers use concurrent call paths (CCPs), each of which enables a single call to be carried across the network. CCP capacity provided in association with Voice Complete can be used in a shared manner across multiple customer locations.

Lumen Cloud Communications (LCC) is a communications platform that provides real-time communication over an established internet connection. The Affected Services include, but are not limited to, the following:

Lumen Cloud Voice, a fully managed, cloud-enabled calling and collaboration platform, which is a connection from the Lumen-provided IP Phone or Analog Termination Adaptor to Lumen's cloud-based voice network.

Lumen Cloud SIP, which provides the connection from the customer's on-site PBX system to Lumen's cloud-based voice network.

Lumen Specialty Lines, a managed service which includes connectivity, equipment, installation, monitoring, and backup cellular failover for applications such as fire alarms, security systems, elevators, fax machines, and point-of-sale devices.

Lumen Cloud Voice Contact Center, a contact center group (also known as ACD or Automatic Call Distribution), which queues incoming calls in the cloud and distributes the calls to end users within a contact center group.

Lumen Cloud Communications Toll-Free, which is a cloud-delivered, inbound, toll-free voice capability within the broader LCC platform.

Lumen Cloud Communications International Calling, which is an optional LCC service capability that enables outbound calling from a customer's LCC SIP trunk service to international destinations using Lumen's global voice network.

This Application pertains to the Affected Services whether they are sold individually or as part of a bundle, package, solution, or related service arrangement.

5. Brief description of the dates and methods of notice to all affected customers

Lumen notified its customers of the planned grandfathering of the Affected Services in letters sent via U.S. Mail on November 3, 2026. These customers were notified that the

proposed grandfathering will take effect on January 8, 2027, or as soon thereafter as authorized by regulatory authorities. Copies of the two forms of customer notification letters Lumen used are attached hereto.[3]

6. Certification Pursuant to Section 63.71(c)(8) that the Information Submitted in this Application is True and Accurate.

See the attached certification of Guy C. Gunther, Vice President, Mass Markets Sales, Care, & Transformation.[4]

[3] *See* Attachment A.

[4] *See* Attachment B, Section 63.71(c)(8) Certification.

CONCLUSION

The public convenience and necessity will not be adversely affected by grandfathering of the Affected Services, as customers have been given significant notice of the planned action. Accordingly, Lumen requests streamlined processing and automatic grant of this Application in accordance with Section 63.71(f)(1) of the Commission's rules.

Important Notice Regarding Your Voice Services
Effective on or after January 8, 2027

Dear [redacted],

Please be advised that the undersigned subsidiaries of Lumen Technologies, Inc. ("Lumen"; collectively, "the Company")[1] plan to stop offering ("grandfather") Voice Complete service.

Voice Complete is the SIP-based provisioning of inbound local calling and toll free/freephone capabilities, and outbound local, domestic, national, and international calling capabilities. Customers use concurrent call paths (CCPs), each of which enables a single call to be carried across the network. CCP capacity provided in association with Voice Complete can be used in a shared manner across multiple customer locations.

You are receiving this notice because you currently use, have purchased, or may receive Voice Complete service from the Company. This notice applies whether Voice Complete service is sold individually or as part of a bundle, package, solution, or related service arrangement.

The Company will grandfather Voice Complete service in all 50 states, the District of Columbia, Puerto Rico, and any international locations where offered, on **January 8, 2027**, or as soon after that date as authorized by regulatory authorities. Once grandfathering is authorized, while the Voice Complete service you receive will not be impacted at that time, it will no longer be available for new orders. You may continue using your Voice Complete service through the end of your contract term. If your service is in the midst of being implemented, it will continue as implemented through the end of your contract term.

ATTACHMENT A

The Company will only accept certain service change requests in limited situations, such as service disconnects or changes required by a contract. If your contract includes automatic renewal for a term, this is the Company's notice that Voice Complete service will not automatically renew. Subject to the provisions of your contract, Voice Complete service will be converted to month-to-month when your current term expires.

We recognize that this change in service offerings may generate questions, and we are here to assist. Customers with questions regarding this notice, existing service arrangements, or applicable timing should contact their account team directly or call Lumen at (877) 453-8353.

If you are a wholesale or federal customer, please contact your account representative directly.

The following statements are required by the FCC:

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed reduction. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Lumen Technologies, Inc. on behalf of Certain of its Subsidiaries to Grandfather Telecommunications Services. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

You may also object to or comment on the planned grandfathering by filing electronically through the FCC's Electronic Comment Filing System in WC Docket No. 26-214. It is recommended that any such filing include either a copy of this notice, or information sufficient to permit Wireline Competition Bureau staff to identify the relevant grandfathering application, such as: it is the application of Lumen Technologies, Inc. on behalf of Certain of its Subsidiaries; the location(s) at which service is/are being grandfathered; the date of the notice you received; and the date on which the carrier intends to grandfather service. For further information, the FCC has consumer guides "Tech Transition: Modernizing Communications Services," which may be found at https://www.fcc.gov/tech-transitions, and "When Your Telephone Company Discontinues Service," which may be found at https://www.fcc.gov/notice.
