

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 68

In the Matter of

IDAHO POWER COMPANY,

2017 Integrated Resource Plan.

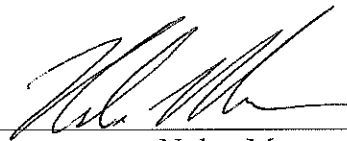

MEMORANDUM

Consideration of acknowledgement of Idaho Power's 2017 IRP is scheduled to take place during the upcoming April 10, 2018 Regular Public Meeting. The Commissioners have reserved additional time on May 8 for further deliberation and decision. The Regular Public Meeting begins at 9:30 a.m.. Consideration of the Idaho Power agenda item will begin with public comment from non-parties, followed by comments from Idaho Power, Staff, and other intervenors. The Commissioners may place time restrictions on commenters based on the number of interested persons and intervenors wishing to comment. The Commissioners plan to adjourn for a break and return to resume comment and deliberation following that break in the afternoon. The Commissioners will hear comments and deliberate in the following order:

1. Non-Intervenor members of the public and intervenors with travel arrangements prohibiting afternoon comment.
2. Idaho Power
3. Staff
4. Intervenors in order of appearance slip
5. Idaho Power
6. Close of Public Comment, beginning of Commission deliberation.

Deliberation may extend to the Special Public Meeting on May 8, 2018 identified for this docket.

Dated this 4th day of April, 2018, at Salem, Oregon.
