Advice No. 2011-017-PL Supplement No. 1

The Honorable Susan Ackerman and John Savage, Commissioners
Oregon Public Utility Commission
P. O. Box 2148
Salem, OR 97308-2148

ATTENTION: Vikie Bailey-Goggins, Administrator
Tariffs and Data Analysis

Dear Commissioners Ackerman and Savage:

Pursuant to the Qwest Price Plan approved by the Commission in Order No. 08-408 in Docket No.UM 1354, Qwest Corporation d/b/a CenturyLink QC is providing notice to the Commission of price changes to certain services and features, pursuant to Section III. N. of the Price Plan. In accordance with Section III. Q. of the Price Plan, CenturyLink notified its customers of these changes in their October bills. A copy of the customer notice is attached.

Supplement No. 1 makes a correction to the rate for Home Receptionist Service (USOC EWY29) which was originally filed as \$19.95 but should have been shown as \$19.25 as noticed in the customer bill insert. Also included in this supplement is a change to the language in the Price List for the packages that are increasing to indicate that the package rate is a combination of the flat rate line (1FR) and the features in those packages. As originally filed, the separate feature portion of the Two-Line CUSTOMCHOICE (PGOCG), Two-Line VALUECHOICE (PGOVB), CHOICE Home (PGORA) and Two-Line CHOICE Home Plus (PGO2P) are changing but the 1FR rate included in the packages is not increasing.

As part of this filing package, you will also find Attachment B, the rate change/ price cap tracking report (control list) to demonstrate compliance with Section III N., Price Caps. Supplement No. 1 did not impact the control list.

The price changes are consistent with and do not violate certain conditions agreed to by the company in the CenturyLink/Qwest merger proceeding, Docket UM 1484. Specifically, CenturyLink provides the following information for the related merger conditions:

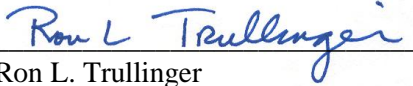

- Condition 7 requires that CenturyLink follow the terms and conditions of Qwest's docket UM 1354 price plan. As explained in the paragraph above and as documented in Attachment B, the price changes included in this filing are entirely consistent with the terms of the Price Plan.
- Condition 10 precludes the company from recovering through wholesale or retail service rates or other fees any increases in overall management costs that result from the merger. As explained above and as documented in Attachment B, the price changes included in this filing are allowed under the provisions of Qwest's Price Plan and result from the company's ongoing evaluation of the competitive marketplace and changing market conditions. The price changes are unrelated to costs associated with the merger of CenturyLink and Qwest.
- Condition 17 precludes the company from recovering in Oregon intrastate regulated retail or wholesale rates any acquisition premium paid by CenturyLink for Qwest. As explained above and as documented in Attachment B, the price changes included in this filing are allowed under the provisions of Qwest's Price Plan and result from the company's ongoing evaluation of the competitive marketplace and changing market conditions. The price changes are unrelated to the acquisition premium associated with CenturyLink's merger with Qwest, which was recorded exclusively at the parent company level and has no impact on the books of any of CenturyLink's entities operating in Oregon.

Finally, CenturyLink will no longer provide discounted rates for additional features on its Choice Two-Line Home package. The additional features will be billed at tariffed rates.

The proposed effective date is December 5, 2011.

Questions concerning this filing may be directed to me by telephone at (503) 242-5089 or by e-mail at Ron.Trullinger@CenturyLink.com.

Yours very truly,

By 
Ron L. Trullinger

INFORMACIÓN IMPORTANTE ACERCA DE TUS SERVICIOS DE CENTURYLINK

Nuestra meta en CenturyLink es darte gran calidad y valor mientras que permanecemos competitivos. Las condiciones cambiantes del mercado requieren que continuamente evaluemos nuestros precios, productos que ofrecemos e infraestructura.

En ocasiones, nuestra evaluación revela que tenemos que cambiar las tarifas de algunos de nuestros productos. Es por eso que las tarifas mensuales de algunos de tus servicios cambiarán a partir del 5 de Diciembre de 2011. Estos cambios no afectarán las tarifas actuales de los paquetes que podrían estar compuestos de uno o varios de estos servicios, excepto como se indica en el cuadro.

Por favor llámanos al 1-800-564-1121 si tienes alguna pregunta acerca de estos cambios en tarifas o para información acerca de paquetes de CenturyLink. Sabemos que tienes opciones de proveedores de comunicaciones y de veras agradecemos que hayas elegido a CenturyLink.

IMPORTANT INFORMATION ABOUT YOUR CENTURYLINK SERVICES

Our goal at CenturyLink is to bring you great quality and value while remaining competitive. Changing market conditions require that we continually evaluate our prices, product offering and infrastructure.

Occasionally our evaluation reveals that we must change our rates for some products. That is why the monthly rates for some of your services will change, effective December 5, 2011. These changes will not affect the current rates of packages that may be comprised of one or more of these services except as noted on the next page.

Also effective December 5, 2011, CenturyLink will file to discontinue the discounted rates for additional features on Choice™ Two-Line Home packages. The additional features will then be billed at tariffed rates.

Please contact us at 1-800-996-2568 with questions regarding these rate changes or to learn about CenturyLink packages. We understand you have a choice in communications providers, and appreciate that you have chosen CenturyLink.

Qwest is now CenturyLink.
