**Subject:** AR 521 SMALL GENERATOR INTERCONNECTION RULEMAKING

To AR 521 Participants:

Please note the following regarding Order No. 09-196:

On page 1 of the order, there is a typographical error in the third paragraph in the listing of the participants. The correct spelling of the participant identified as "Minikado" is "Minikahda."

On page 6 of the order, in ordering paragraph 2., there is a typographical error regarding the date that Staff submitted draft forms. Staff submitted its draft forms on November 6, 2007 (not November 9, 2007).

The Commission will not be issuing a correcting order. Please note the corrections.

Thank you.
