- 6.9.2 Except as otherwise agreed in writing by the Parties, if a service purchased by a Party under a prior agreement between the Parties pursuant to §252 of the Act was subject to a contractual commitment that it would be purchased for a period of longer than one (1) month, and such period had not yet expired as of the Effective Date and the service had not been terminated prior to the Effective Date, to the extent not inconsistent with this Agreement, such commitment shall remain in effect and the service will be subject to the prices, terms and conditions of this Agreement; provided, that if this Agreement would materially alter

the terms of the commitment, either Party make elect to cancel the commitment.

- 6.9.3 If either Party elects to cancel the service commitment pursuant to the proviso in Section 6.9.2, the purchasing Party shall not be liable for any termination charge that would otherwise have applied. However, if the commitment was cancelled by the purchasing Party, the purchasing Party shall pay the difference between the price of the service that was actually paid by the purchasing Party under the commitment and the price of the service that would have applied if the commitment had been to purchase the service only until the time that the commitment was cancelled.

7. BULLSEYE CERTIFICATION

- 7.1 Notwithstanding any other provision of this Agreement, CenturyLink shall have no obligation to perform under this Agreement until such time as BullsEye has obtained such FCC and Commission authorization(s) as may be required by Applicable Law for conducting business in the State as a competitive local exchange carrier. BullsEye shall not be permitted to establish its account nor place any orders under this Agreement until it has obtained such authorization and provided proof of such to CenturyLink. At any time during the life of this Agreement, BullsEye will provide a copy of its current Certificate of Operating Authority or other evidence of its status to CenturyLink upon request. BullsEye's failure to maintain such authorization(s) as may be required by Applicable Law for conducting business in the State as a BullsEye shall be considered a Default of Agreement.

8. APPLICABLE LAW

- 8.1 Each Party shall remain in compliance with Applicable Law in the course of performing this Agreement.
 - 8.1.1 Neither Party shall be liable for any delay or failure in performance resulting from any requirements of Applicable Law, or acts or failures to act of any governmental entity or official.
 - 8.1.2 Each Party shall promptly notify the other Party in writing of any governmental action that limits, suspends, cancels, withdraws, or otherwise materially affects the notifying Party's ability to perform its obligations under this Agreement.
 - 8.1.3 Each Party shall be responsible for obtaining and keeping in effect all FCC, Commission, franchise authority and other regulatory approvals that may be required and comply with Applicable Law in connection with the performance of its obligations under this Agreement

- 8.2 Rule of Construction. The Parties acknowledge that, except for provisions incorporated herein as the result of an arbitrated decision, if any, the terms and conditions of this Agreement have been mutually negotiated, and each Party has had the opportunity to obtain advice of its own legal counsel in accepting such negotiated terms and conditions. No rule of construction requiring interpretation against the drafting Party hereof shall apply in the interpretation of this Agreement.
- 8.3 Choice of Law. This Agreement shall be governed by and construed in accordance with the Act, applicable federal and (to the extent not inconsistent therewith) State of Delaware laws. In all cases, choice of law shall be determined without regard to the State of Delaware conflicts of law provisions.
- 8.4 Severability. If any provision of this Agreement is held to be invalid, void or unenforceable for any reason, such invalidity will affect only that specific provision of the Agreement. In all other respects, this Agreement will stand as if such provision had not been a part thereof, and the remainder of the Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated. If the provision materially affects the rights or obligations of a Party hereunder, or the ability of a Party to perform any material provision of this Agreement, the Parties shall promptly negotiate an amendment to this Agreement in order to conform the Agreement to Applicable Law. If such amended terms cannot be agreed upon within a reasonable period, either Party may, upon written notice to the other Party, initiate Dispute Resolution pursuant to the terms of this Agreement, and any resolution in favor of the affected Party will be considered retroactive to the date Dispute Resolution was initiated. Notwithstanding the above, where the affected provision is held to be invalid, void or unenforceable retroactively by a court of competent jurisdiction, the resolution in favor of the affected Party will be considered retroactive to the same extent, or to the extent specified in the decision or twenty-four (24) months from the date Dispute Resolution was initiated whichever is shorter.

9. CHANGES IN LAW

- 9.1 In the event of any amendment of the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, or other legal action purporting to apply the provisions of the Act to the Parties or in which the court, FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other Party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly within sixty (60) Days of the date of the notice to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement. Where a Party provides notice to the other Party within thirty (30) Days of the effective date of an order issuing a legally binding change, any resulting amendment shall be deemed effective on the effective date of the legally binding change or modification of the Existing Rules for rates, and to the extent practicable for other terms and conditions, unless otherwise ordered. In the event neither Party provides notice within thirty (30) Days, the effective date of the legally binding change shall be the Effective Date of the amendment unless the Parties agree to a different date.

- 9.2 Removal of Existing Obligations. Notwithstanding anything in this Agreement to the contrary, if, as a result of any legislative, judicial, regulatory or other governmental decision, order, determination or action, or any change in Applicable Law subsequent to the Effective Date, CenturyLink is no longer required by Applicable Law to continue to provide any service, facility, arrangement, payment or benefit ["Discontinued Arrangements"] otherwise required to be provided to CLEC under this Agreement, then CenturyLink may discontinue the provision of any such service, facility, arrangement, payment or benefit. CenturyLink will provide thirty (30) Days prior written notice to CLEC of any such discontinuation, unless a different notice period or different conditions are specified by Applicable Law, in which event such specified period and/or conditions shall apply. Such right to discontinue shall apply to any Discontinued Arrangement that CLEC might order during such thirty (30) Day notice period. The Parties may amend this Agreement pursuant to the Amendment Section following to reflect such change in Applicable Law. If CLEC disputes CenturyLink's discontinuance of such service, facility, arrangement, payment or benefit, the dispute resolution procedures of this Agreement shall apply, provided however, that the Parties shall not be required to wait sixty (60) Days before submitting the dispute to a court, commission or agency, for resolution under Section 15.2, and any consequent changes to the terms of this Agreement (including billing terms) as a result of such change in Applicable Law shall be retroactive to the discontinuation date set forth in CenturyLink's written notice to CLEC unless a definitive effective date is specified by Applicable Law.
- 9.3 Additions to Existing Obligations. Notwithstanding anything in this Agreement to the contrary, if, as a result of any legislative, judicial, regulatory or other governmental decision, order, determination or action, or any change in Applicable Law subsequent to the Effective Date, CenturyLink is required by such change in Applicable Law to provide a service not already provided to BullsEye under the terms of this Agreement, the Parties agree to add or modify, in writing, the affected term(s) and condition(s) of this Agreement to the extent necessary to bring them into compliance with such change in Applicable Law. The Parties shall initiate negotiations to add or modify such terms upon the written request of a Party. If the Parties cannot agree to additional or modified terms to amend the Agreement, the Parties shall submit the dispute to dispute resolution pursuant to the procedures set forth in this Agreement.
- 9.4 Should the Parties be unable to reach agreement with respect to the applicability of any Amended Rules or the resulting appropriate modifications to this Agreement, either Party may invoke the Dispute Resolution provisions of this Agreement. CenturyLink may charge rates to BullsEye under this Agreement that are approved by the Commission in a generic cost proceeding, whether such action was commenced before or after the Effective Date of this Agreement, as of the effective date of the Commission decision and such ordered rates shall be implemented without the requirement of an Amendment to this Agreement.

10. AMENDMENTS

10.1 Any amendment, modification, deletion or supplement to this Agreement must be in writing, dated and signed by an authorized representative of each Party and filed with the Commission, except for notices of Discontinued Arrangements or changes in rates approved by the Commission in a generic cost proceeding. The term Agreement shall include any such future amendments, modifications, deletions and supplements.

11. ASSIGNMENT

11.1 If any Affiliate of either Party succeeds to that portion of the business of such Party that is responsible for, or entitled to, any rights, obligations, duties, or other interests under this Agreement, such Affiliate may succeed to those rights, obligations, duties, and interest of such Party under this Agreement. In the event of any such succession hereunder, the successor shall expressly undertake in writing to the other Party the performance and liability for those obligations and duties as to which it is succeeding a Party to this Agreement.

11.2 Except as provided in Section 11.1, any assignment of this Agreement or of the obligations to be performed, in whole or in part, or of any other interest of a Party hereunder, without the other Party's written consent, shall be void. Upon a request by a Party for such consent, the other Party shall not unreasonably withhold or delay such consent, provided however, that reasonable grounds for withholding consent would include, without limitation, the existence of any material Default by the requesting Party. For purposes of this paragraph, a material Default shall include, without limitation, the failure by a Party to pay any outstanding undisputed amounts by the due date.

11.3 If a Party uses products or services obtained from the other Party under this Agreement to serve End Users, then such Party may not make any sale or transfer of such End User accounts, or any facilities used to serve such End Users, unless the purchaser or transferee has executed a written agreement to assume liability for any outstanding unpaid balances owed to the other Party under this Agreement for such services and products. Notwithstanding any assumption of liability by the purchaser or transferee, the Party selling or transferring such End User accounts, or facilities, shall remain jointly liable for the unpaid balances until the same are satisfied, in full, unless the selling or transferring Party obtains a written release of liability from the other Party, which release shall be at the reasonable discretion of the other Party.

11.4 If a Party seeks to transfer only a portion of facilities ordered pursuant to this Agreement, while retaining other facilities, then such transfer shall be treated as a disconnection and subsequent activation, subject to applicable disconnection and activation charges for such facilities, including any early termination fees, if applicable.

12. CONFIDENTIAL INFORMATION

- 12.1 All information which is disclosed by one Party (Disclosing Party) to the other Party (Recipient) in connection with this Agreement, or acquired in the course of performance of this Agreement, shall be deemed confidential and proprietary to the Disclosing Party and subject to this Agreement, except as provided in Section 12.5 below or as specifically provided elsewhere in this Agreement. Such information includes but is not limited to, orders for services, usage information in any form, and CPNI as that term is defined by the Act and the rules and regulations of the FCC, and where applicable, the rules and regulations of the Commission (Confidential Information).
- 12.2 Each Party agrees to use Confidential Information only for the purpose of performing under this Agreement, to hold it in confidence, to disclose it only to employees or agents who have a need to know it in order to perform under this Agreement, and to safeguard Confidential Information from unauthorized use or disclosure using no less than the degree of care with which Recipient safeguards its own Confidential Information.
- 12.3 Recipient may disclose Confidential Information if required by law, a court, or governmental agency, if the Disclosing Party has been notified of the requirement promptly after Recipient becomes aware of the requirement, and the Recipient undertakes lawful measures to avoid disclosing such information until Disclosing Party has had reasonable time to obtain a protective order. Recipient will comply with any protective order that covers the Confidential Information to be disclosed.
- 12.4 Neither Party shall produce, publish, or distribute any press release nor other publicity referring to the other Party or its Affiliates, or referring to this Agreement, without the prior written approval of the other Party. Each Party shall obtain the other Party's prior approval before discussing this Agreement in any press or media interviews. In no event shall either Party mischaracterize the contents of this Agreement in any public statement or in any representation to a governmental entity or member thereof.
- 12.5 Recipient shall have no obligation to safeguard Confidential Information which was in the Recipient's possession free of restriction prior to its receipt from Disclosing Party, which becomes publicly known or available through no breach of this Agreement by Recipient, which is rightfully acquired by Recipient free of restrictions on its disclosure, or which is independently developed by personnel of Recipient to whom the Disclosing Party's Confidential Information had not been previously disclosed.
- 12.6 Survival. The obligation of confidentiality and use with respect to Confidential Information disclosed by one Party to the other shall survive any termination of this Agreement for a period of three (3) years from the date of the initial disclosure of the Confidential Information.
- 12.7 Each Party agrees that in the event of a breach of this Section by Recipient or its representatives, Disclosing Party shall be entitled to seek equitable relief, including injunctive relief and specific performance. Such remedies shall not be exclusive, but shall be in addition to all other remedies available at law or in equity.

12.8 Unless otherwise agreed, neither Party shall publish or use the other Party's logo, trademark, service mark, name, language, pictures, symbols or words from which the other Party's name may reasonably be inferred or implied in any product, service, advertisement, promotion, or any other publicity matter, except that nothing in this paragraph shall prohibit a Party from engaging in valid comparative advertising. This Section shall confer no rights on a Party to the service marks, trademarks and trade names owned or used in connection with services by the other Party or its Affiliates, except as expressly permitted by the other Party.

12.9 Except as otherwise expressly provided in this Section, nothing herein shall be construed as limiting the rights of either Party with respect to its customer information under any Applicable Law, including without limitation §222 of the Act.

13. CONSENT

13.1 Except as otherwise expressly stated in this Agreement, where consent, approval, mutual agreement or a similar action is required by any provision of this Agreement, such action shall not be unreasonably withheld, conditioned or delayed.

14. CONTACTS BETWEEN THE PARTIES

14.1 Each Party shall update its own contact information and escalation list and shall provide such information to the other Party for purposes of inquiries regarding the implementation of this Agreement. Each Party shall accept all inquiries from the other Party and provide a timely response. CenturyLink will provide and maintain its contact and escalation list on the CenturyLink Website, and any updates also will be provided on the Website. Information contained on the Website will include a single contact telephone number for CenturyLink's BullsEye Service Center (via an 800#) that BullsEye may call for all ordering and status inquiries and other day-to-day inquiries at any time during the Business Day. In addition, the Website will provide BullsEye with contact information for the personnel and/or organizations within CenturyLink capable of assisting BullsEye with inquiries regarding resale services. Included in this information will be the contact information for a person or persons to whom BullsEye can escalate issues dealing with the implementation of the Agreement and/or for assistance in resolving disputes arising under the Agreement.

15. GENERAL DISPUTE RESOLUTION

15.1 The following provisions apply to dispute resolution under the Agreement, except that the terms of Section 50 shall also apply to the resolution of any billing disputes.

15.2 The Parties will attempt in good faith to resolve through negotiation any dispute, claim or controversy arising out of, or relating to, this Agreement. Either Party may give written notice to the other Party of any dispute not resolved in the normal course of business. Each Party will within seven (7) Days after delivery of the written notice of dispute, designate a vice-president level employee or a representative with authority to make commitments to review, meet, and negotiate, in good faith, to resolve the dispute. The Parties intend that these negotiations be conducted by non-lawyer, business representatives, and the locations, format, frequency, duration, and conclusions of these discussions will be at the discretion of the representatives. By mutual agreement, the representatives may use other procedures to assist in these

negotiations. The discussions and correspondence between the representatives for the purposes of these negotiations will be treated as Confidential Information developed for purposes of settlement, and will be exempt from discovery and production, and not be admissible in any subsequent proceedings without the concurrence of both Parties.

15.3 If the designated representatives have not reached a resolution of the dispute within fifteen (15) Days after the written notice (or such longer period as agreed to in writing by the Parties), then either Party may bring a claim to the Federal Communications Commission or the state Public Utilities Commission where the action falls within those jurisdictions.

15.4 Waiver of Jury Trial and Class Action. Each Party, to the extent permitted by law, knowingly, voluntarily, and intentionally waives its right to a trial by jury and any right to pursue any claim or action arising out of or relating to this Agreement on a class or consolidated basis or in a representative capacity.

15.5 No cause of action, including disputes raised pursuant to Section 15.4, regardless of the form, arising out of or relating to this Agreement, may be brought by either Party more than two (2) years after the cause of action arises.

16. ENTIRE AGREEMENT

16.1 This Agreement, including all Parts and subordinate documents attached hereto or referenced herein, all of which are hereby incorporated by reference herein, constitutes the entire agreement of the Parties pertaining to the subject matter of this Agreement and supersedes all prior and contemporaneous agreements, negotiations, proposals, and representations, whether written or oral, concerning such subject matter. No representations, understandings, agreements, or warranties, expressed or implied, have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

16.2 The Parties acknowledge and agree that they have had adequate opportunity to negotiate this Agreement pursuant to a give and take process, and that the inclusion or exclusion of any provisions within this Agreement shall be without prejudice to either Party's right to advocate for different rights or obligations to apply under any circumstances *other than* the exercise and enforcement of and the rights and obligations hereunder. The provisions of this Agreement shall not be deemed or considered to have any probative value as to the substance of either Party's rights or advocacy positions concerning the matters set forth herein, nor deemed to constitute acquiescence or a waiver by either Party with respect to such matters under any circumstances *other than* the exercise and enforcement of and the rights and obligations hereunder, nor shall either Party be estopped or otherwise precluded from asserting any such rights reserved hereunder at any time hereafter in any forum, without any diminishment of such rights based upon the passage of time or any course of conduct which is consistent with the Agreement.

16.3 To the extent this Agreement contains any provisions which are not governed by 47 U.S.C. §251 and which could otherwise be addressed in a separate stand-alone agreement, such inclusion does not subject such provisions to the compulsory arbitration or other provisions of 47 U.S.C. §252, and the Parties do not waive any position they may have with respect to the applicability or non-applicability of such federal statutes to any provisions hereof.

17. FORCE MAJEURE

- 17.1 In the event that performance of this Agreement, or any obligation hereunder, is either directly or indirectly prevented, restricted, or interfered with by reason of fire, flood, earthquake, unusually severe weather, epidemics or like acts of God, nuclear accidents, power blackouts, wars, terrorism, revolution, civil commotion, explosion, acts of public enemy, embargo, acts of the government under its police powers, labor disruptions, including without limitation, strikes, slowdowns, picketing, or boycotts, unavailability of equipment from vendor, or any other material change of circumstances beyond the reasonable control and without the fault or negligence of the Party affected (Force Majeure Events), the Party affected, upon giving prompt notice to the other Party, shall be excused from such performance on a day-to-day basis to the extent of such prevention, restriction, or interference and the other Party shall likewise be excused from performance of any corresponding obligations that are rendered unnecessary, impractical or inequitable by the non-performance of the Party experiencing the Force Majeure Events on a day-to-day basis until the delay, restriction or interference has ceased; provided however, that the Party so affected shall use commercially reasonable efforts to avoid or remove such causes of nonperformance or Force Majeure Events, and both Parties shall proceed whenever such causes or Force Majeure Events are removed or cease.
- 17.2 It is expressly agreed that insolvency or financial distress of a Party is not a Force Majeure Event and is not otherwise subject to this Section. Notwithstanding the provisions of Section 17.1 above, in no case shall a Force Majeure Event excuse either Party from an obligation to pay money as required by this Agreement.
- 17.3 Nothing in this Agreement shall require the non-performing Party to settle any labor dispute except as the non-performing Party, in its sole discretion, determines appropriate.

18. FRAUD

- 18.1 The Parties agree that they shall cooperate with one another to investigate, minimize and take corrective action in cases of fraud. CenturyLink will cooperate in good faith but shall bear no responsibility for, nor is it required to investigate or make adjustments to, BullsEye's account in cases of fraud. The Parties' fraud minimization procedures are to be cost effective and implemented so as not to unduly burden or harm one Party as compared to the other.

19. HEADINGS

- 19.1 The headings and numbering of Sections and Articles in this Agreement are for convenience and identification only and shall not be construed to define or limit any of the terms herein or affect the meaning or interpretation of this Agreement.

20. INTELLECTUAL PROPERTY

20.1 For purposes of this Agreement, "Intellectual Property" means (a) inventions(whether patentable or unpatentable and whether or not reduced to practice), all improvements thereto, patents, patent applications and patent disclosures, and all reissues, continuations, revisions, extensions and re-examinations thereof, (b) trademarks, service marks, trade dress, logos, trade names, domain names and corporate names, and translations, adaptations, derivations and combinations thereof and goodwill associated therewith, and all applications, registrations and renewals in connection therewith, (c) copyrightable works, copyrights and applications, registrations and renewals relating thereto, (d) mask works and applications, registrations and renewals relating thereto, (e) trade secrets and confidential business information (including ideas, research and development, know-how, formulae, compositions, manufacturing and production processes and techniques, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information, and business and marketing plans and proposals), (f) computer software (including data and related documentation), (g) other proprietary rights, and (h) copies and tangible embodiments thereof (in whatever form or medium).

21. LAW ENFORCEMENT

- 21.1 Except to the extent not available in connection with CenturyLink's operation of its own business, CenturyLink shall provide assistance to law enforcement persons for emergency traps, assistance involving emergency traces and emergency information retrieval on customer invoked CLASS services, twenty-four (24) hours per day, seven (7) days a week.
- 21.2 Except where prohibited by a subpoena, civil investigative demand, or other legal process, CenturyLink agrees to work jointly with BullsEye in security matters to support law enforcement agency requirements for traps, traces, court orders, etc. BullsEye shall be responsible for and shall be billed for any charges associated with providing such services for BullsEye's End Users.
- 21.3 Where CenturyLink receives a subpoena from law enforcement, and its database search shows that the telephone number in question is not a CenturyLink account, CenturyLink shall send such information back to law enforcement, along with the name of the company to which such account is connected, if available, for further processing by law enforcement.
- 21.4 If a Party receives a subpoena, civil investigative demand, or other legal process (hereinafter, subpoena") issued by a court or governmental agency having appropriate jurisdiction, and such subpoena expressly prohibits the Party receiving the subpoena (receiving Party) from disclosing the receipt of the subpoena or the delivery of a response to the subpoena, such receiving Party shall not be required to notify the other Party that it has received and/or responded to such subpoena, even if the subpoena seeks or the receiving Party's response thereto discloses Confidential Information of the other Party or its customers. Under such circumstances, the receiving Party's disclosure to the other Party of its receipt of or delivery of a response to such a subpoena shall be governed by the requirements of the subpoena and/or the court, governmental agency or law enforcement agency having appropriate jurisdiction.
- 21.5 Each Party represents and warrants that any equipment, facilities or services provided to the other Party under this Agreement comply with the CALEA.

Each Party shall indemnify and hold the other Party harmless from any and all penalties imposed upon the other Party for such noncompliance and shall at the non-compliant Party's sole cost and expense, modify or replace any equipment, facilities or services provided to the other Party under this Agreement to ensure that such equipment, facilities and services fully comply with CALEA.

22. LIABILITY AND INDEMNIFICATION

22.1 Indemnification Against Third-Party Claims. Each Party (the "Indemnifying Party") agrees to indemnify, defend, and hold harmless the other Party (the "Indemnified Party") and the other Party's Subsidiaries, predecessors, successors, Affiliates, and assigns, and all current and former officers, directors, members, shareholders, agents, contractors and employees of all such persons and entities (collectively, with Indemnified Party, the "Indemnitee Group"), from any and all Claims. "Claim" means any action, cause of action, suit, proceeding, claim, or demand of any third party (and all resulting judgments, bona fide settlements, penalties, damages, losses, liabilities, costs, and expenses (including, but not limited to, reasonable costs and attorneys' fees)), (a) based on allegations that, if true, would establish (i) the Indemnifying Party's breach of this Agreement; (ii) the Indemnifying Party's misrepresentation, fraud or other misconduct; (iii) the Indemnifying Party's negligence; (iv) infringement by the Indemnifying Party or by any Indemnifying Party product or service of any patent, copyright, trademark, service mark, trade name, right of publicity or privacy, trade secret, or any other proprietary right of any third party; (v) the Indemnifying Party's liability in relation to any material that is defamatory or wrongfully discloses private or personal matters; or (vi) the Indemnifying Party's wrongful use or unauthorized disclosure of data; or (b) that arises out of (i) any act or omission of the Indemnifying Party or its subcontractors or agents relating to the Indemnifying Party's performance or obligations under this Agreement; (ii) any act or omission of the Indemnifying Party's customer(s) or End User(s); (iii) the bodily injury or death of any person, or the loss or disappearance of or damage to the tangible property of any person, relating to the Indemnifying Party's performance or obligations under this Agreement; (iv) the Indemnifying Party's design, testing, manufacturing, marketing, promotion, advertisement, distribution, lease or sale of services and/or products to its customers, or such customers' use, possession, or operation of those services and/or products; or (v) personal injury to or any unemployment compensation claim by one or more of the Indemnifying Party's employees, notwithstanding any protections the Indemnifying Party might otherwise have under applicable workers' compensation or unemployment insurance law, which protections the Indemnifying Party waives, as to the Indemnified Party and other persons and entities to be indemnified under this Section 22.1 (other than applicable employee claimant(s)), for purposes of this Section 22.1. "Reasonable costs and attorneys' fees," as used in this Section 22.1, includes without limitation fees and costs incurred to interpret or enforce this Section 22.1. The Indemnified Party will provide the Indemnifying Party with reasonably prompt written notice of any Claim. At the Indemnifying Party's expense, the Indemnified Party will provide reasonable cooperation to the Indemnifying Party in connection with the defense or settlement of any Claim. The Indemnified Party may, at its expense, employ separate counsel to monitor and participate in the defense of any Claim.

Notwithstanding anything to the contrary in this Section 22.1, a Party may not seek indemnification with respect to any Claim by that Party's customer(s) or End User(s), but rather shall be the Indemnifying Party with respect to all Claims by its customer(s) and End User(s).

The Indemnifying Party agrees to release, indemnify, defend, and hold harmless the Indemnitee Group and any third-party provider or operator of facilities involved in the provision of products, services or facilities under this Agreement from all losses, claims, demands, damages, expenses, suits, or other actions, or any liability whatsoever, including, but not limited to, costs and attorneys' fees, suffered, made, instituted, or asserted by the Indemnifying Party's End User Customer(s) arising from or relating to any products, services or facilities provided by or through the Indemnified Party or such third-party provider or operator. The Indemnifying Party further agrees to release, indemnify, defend, and hold harmless the Indemnitee Group from all losses, claims, demands, damages, expenses, suits, or other actions, or any liability whatsoever, including, but not limited to, costs and attorneys' fees, suffered, made, instituted, or asserted by any third party against an Indemnified Party arising from or in any way related to actual or alleged defamation, libel, slander, interference with or misappropriation of proprietary or creative right, or any other injury to any person or property arising out of content transmitted by the Indemnifying Party's End User Customer(s).

22.2 Disclaimer of Warranties. EXCEPT FOR THOSE WARRANTIES EXPRESSLY PROVIDED IN THIS AGREEMENT OR REQUIRED BY STATUTE, EACH PARTY ON BEHALF OF ITSELF AND ITS AFFILIATES AND SUPPLIERS DISCLAIMS ALL WARRANTIES AND DUTIES, WHETHER EXPRESS OR IMPLIED, AS TO THE SERVICES, PRODUCTS AND ANY OTHER INFORMATION OR MATERIALS EXCHANGED BY THE PARTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, REASONABLE CARE, WORKMANLIKE EFFORT, RESULTS, LACK OF NEGLIGENCE, OR ACCURACY OR COMPLETENESS OF RESPONSES. EXCEPT FOR THOSE WARRANTIES EXPRESSLY PROVIDED IN THIS AGREEMENT OR REQUIRED BY STATUTE, THERE IS NO WARRANTY OF TITLE, QUIET ENJOYMENT, QUIET POSSESSION, CORRESPONDENCE TO DESCRIPTION, AUTHORITY, OR NON-INFRINGEMENT, MISUSE, OR MISAPPROPRIATION WITH RESPECT TO THE SERVICES, PRODUCTS, INTELLECTUAL PROPERTY RIGHTS, AND ANY OTHER INFORMATION OR MATERIALS EXCHANGED BY THE PARTIES UNDER THIS AGREEMENT.

22.3 Limitation of Liability; Disclaimer of Consequential Damages; Exceptions.

22.3.1 Except as provided in Section 22.3.3, each Party's liability to the other, whether in contract, tort or otherwise, shall be limited to direct damages, which shall not exceed the monthly charges, plus any related costs/expenses the other Party may recover, including those under Section 22.1 above, and plus any costs/expenses for which the Parties specify reimbursement in this Agreement for the services or facilities for which the claim of liability arose. Except as provided in Section 30.3.3, each Party's

liability to the other during any Contract Year resulting from any and all causes will not exceed the total of any amounts charged to BullsEye by CenturyLink under this Agreement during the Contract Year in which such cause accrues or arises. For purposes of this Section 30.3.1, the first Contract Year commences on the first day this Agreement becomes effective, and each subsequent Contract Year commences on the day following the anniversary of that date.

22.3.2 EXCEPT AS PROVIDED IN SECTION 22.3.3, NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, RELIANCE, OR SPECIAL DAMAGES SUFFERED BY SUCH OTHER PARTY (INCLUDING WITHOUT LIMITATION DAMAGES FOR HARM TO BUSINESS, LOST REVENUES, LOST SAVINGS, OR LOST PROFITS SUFFERED BY SUCH OTHER PARTY), REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, WARRANTY, STRICT LIABILITY, OR TORT, INCLUDING WITHOUT LIMITATION, NEGLIGENCE OF ANY KIND WHETHER ACTIVE OR PASSIVE, AND REGARDLESS OF WHETHER THE PARTIES KNEW OF THE POSSIBILITY THAT SUCH DAMAGES COULD RESULT.

Should either Party provide advice, make recommendations, or supply other analysis related to the services or facilities described in this Agreement, this limitation of liability shall apply to the provision of such advice, recommendations, and analysis.

22.3.3 Section 22.3.1 and Section 22.3.2 do not apply to the following:

- 22.3.3.1 Indemnification under Section 22.1;
- 22.3.3.2 Breach of any obligation of confidentiality referenced in this Agreement;
- 22.3.3.3 Violation of security procedures;
- 22.3.3.4 Any breach by BullsEye of any provision relating to BullsEye's access to or use of Operations Support Systems;
- 22.3.3.5 Failure to properly safeguard, or any misuse of, customer data;
- 22.3.3.6 Statutory damages;
- 22.3.3.7 Liability for intentional or willful misconduct;
- 22.3.3.8 Liability arising under any applicable CenturyLink Tariff;
- 22.3.3.9 Liability arising under any indemnification provision contained in this Agreement or any separate agreement or tariff related to provisioning of 911/E911 services;
- 22.3.3.10 Each Party's obligations under Section 27 of this Article III;
- 22.3.3.11 Section 22.4.2 and/or Section 22.4.3 of this Article III;
- 22.3.3.12 Section 45 of this Article III, and/or
- 22.3.3.12 Liability arising under any indemnification provision contained in a separate agreement or tariff related to provisioning of Directory Listing or Directory Assistance Services.

22.4 Liability of CenturyLink.

In addition to the general limitation of liability in this Section , the following shall also limit CenturyLink's liability under this Agreement.

22.4.1 Inapplicability of Tariff Liability. CenturyLink's general liability, as described in its local exchange or other Tariffs, does not extend to BullsEye, BullsEye's End User Customer(s), suppliers, agents, employees, or any other third parties. Liability of CenturyLink to BullsEye resulting from any and all causes arising out of services, facilities or any other items relating to this Agreement shall be governed by the liability provisions contained in this Agreement and no other liability whatsoever shall attach to CenturyLink. The deposit may

be an irrevocable bank letter of credit, a letter of credit with terms and conditions acceptable to CenturyLink, or some other form of mutually acceptable security such as a cash deposit. Required deposits are due and payable within thirty (30) Days after demand.

In the event either Party cannot measure minutes terminating on its network where Technically Feasible, the other Party shall provide the measuring mechanism or the Parties shall otherwise agree on an alternate arrangement.
- 50.7 Billing for Access Services will be in conformance with Multiple Exchange Carrier Access Billing (MECAB) guidelines and Multiple Exchange Carriers Ordering and Design Guidelines for Access Services-Industry Support Interface (MECOD). - 50.11 Except for billing pursuant to a Section 15 Dispute Resolution process determination, neither Party will initiate credit claims or bill the other Party for previously unbilled, under-billed or over-billed charges for services under this Agreement that were provided more than twenty-four (24) months prior to the applicable most recent Bill Date, unless a longer period is warranted as a result of fraud, concealment or other similar circumstances.
- 50.12 Except as otherwise provided in this Agreement, payment of amounts billed for services provided under this Agreement shall be in immediately available U.S. funds, and shall be due by the Bill Due Date.
- 50.13 If the Bill Due Date is a Saturday, Sunday, or has been designated a Federal or bank holiday, payment is due by the next Business Day.
- 50.14 Any undisputed amount not received by the billing Party by the Bill Due Date, shall be assessed a late payment charge on the past due balance. The billed Party agrees to pay, a late payment charge of one and one-half percent (1.5%) compounded monthly, provided however that the billing Party shall not charge a late fee which exceeds the maximum amount permitted under any Applicable Laws. Such late payment charges shall be included on the next billing invoice.
- 50.15 If any portion of an amount billed under this Agreement is subject to a good faith dispute between the Parties, the billed Party shall give written notice to the billing Party of the amounts it disputes (Disputed Amounts) and shall include in such notice specific details and reasons for disputing each item. Such written notice shall be submitted in accordance with the process for submitting billing dispute claims set forth on the CenturyLink website. Disputed billing claims shall be submitted no later than the Bill Due Date.

- 50.15.2 Payment of billed amounts that are subsequently disputed after the Bill due Date, or which become the subject of a request for adjustment shall not constitute or be deemed to represent a waiver of such Party's right to submit a dispute or seek an adjustment of such Party's account with respect to such paid amounts, and the paying Party shall not be required to designate any such payment as "conditional" or "under protest" in order to submit a dispute or seek a subsequent adjustment with respect to amounts which have previously been paid.
- 50.16 If a dispute is resolved in favor of the Billing Party, the billed Party shall pay the disputed charges and any applicable late payment charges in full no later than the next Bill Due Date following resolution of the dispute.
- 50.17 If the dispute is resolved in favor of the billed Party, the Billing Party will adjust the Billing after the resolution of the dispute and will credit the Billed Party for the granted disputed charges and any associated billed late payment charges.
- 50.18 If the Parties cannot resolve the dispute within one hundred twenty (120) Days of the written notice of dispute, either Party may give written notice to the other Party exercising the right to escalate the dispute pursuant to the Dispute Resolution Section of this Agreement.
 - 50.18.1 If the Parties cannot resolve the dispute within one hundred twenty (120) Days of the written notice of dispute, and the Billed Party does not provide written notice of escalation of the dispute within such timeframe, the billed Party waives its alleged entitlement to and/or right to withhold such Disputed Amount and all withheld amounts, including accumulated late payment charges, becomes immediately due.
- 50.19 Notwithstanding Sections 50.18 and 50.18.1, if the billing Party provides written notice to the billed Party that a billing dispute has been denied, stating the grounds for such determination, then the billed Party shall have forty five (45) Days in which to either pay the Disputed Amounts or to give written notice to the other Party exercising the right to escalate the dispute pursuant to the Dispute Resolution Section of this Agreement. Such notice may be accompanied by any additional, relevant materials submitted by BullsEye. If the billed Party fails to give written notice exercising the right to escalate the dispute within the forty five (45) Days of the notice date of the written denial of a dispute, the billed Party waives its alleged entitlement to and/or right to withhold such Disputed Amounts and all withheld amounts, including accumulated late payment charges become immediately due.

- 50.19.1 Failure by the billed Party to give written notice exercising the right to escalate a dispute pursuant to the Dispute Resolution Section of this Agreement following a notice of denial under Section 50.11 shall also preclude the Party from thereafter requesting an escalation of the same dispute under the Dispute Resolution Section of this Agreement.
- 50.19.2 Failure by the billed Party to make a timely response to a notice of denial under Section 50.19 shall result in lifting the suspension of the payment due date for such disputed invoice, and the possible assessment of late charges and suspension or termination of service for non-payment of billed amount in accordance with this Section 50.
- 50.20 Both BullsEye and CenturyLink agree to expedite the investigation of any Disputed amounts, promptly provide all documentation regarding the amount disputed that is reasonably requested by the other Party, and work in good faith in an effort to resolve and settle the dispute through informal means prior to escalating the billing dispute pursuant to the Dispute Resolution Section of this Agreement.
- 50.21 A billing dispute which has been resolved by a written settlement agreement between the Parties may not be resubmitted under the dispute resolution process.
- 50.22 Effect of Non-Payment
 - 50.22.1 If the billed Party does not pay all undisputed charges by the Bill Due Date, the billing Party may discontinue processing orders for services provided under this Agreement and may invoke the Default provisions of Section 6.6 on or after the tenth (10th) Day following the Bill Due Date provided the billing Party notifies the other Party in writing, via email or certified mail, at least five (5) Days prior to discontinuing the processing of orders. If the billing Party continues to accept additional orders for service(s) after the date specified in such notice, and the billed Party's non-compliance continues, nothing contained herein shall preclude the billing Party from refusing to accept any or all additional orders for service(s) from the non-complying Party without further notice. For order processing to resume, the billed Party will be required to make full payment of all past and current undisputed charges under this Agreement. Additionally, the billing Party may require a deposit or assurance of payment (or additional deposit or assurance of payment) from the billed Party, pursuant to Section 41.
 - 50.22.2 Notwithstanding Section 50.22.1 above, if the billed Party does not pay all undisputed charges on a bill by the Bill Due Date, the billing Party may at its option disconnect any and all relevant or related services provided under this Agreement on or after the thirtieth (30th) day following the Bill Due Date after providing written notification to the billed Party at least fifteen (15) Days prior to disconnection of the unpaid service(s). Such notification may be included in a notification to refuse to accept additional

orders pursuant to Section 50.22.1 so long as the appropriate dates for each consequence are listed therein. If the services are disconnected and the billed Party subsequently pays all such undisputed charges and desires to reconnect any such disconnected services, the billed Party shall pay the applicable charge set forth in this Agreement or in the applicable Tariff for reconnecting each service disconnected pursuant to this paragraph. In case of such disconnection, all applicable undisputed charges, including termination charges, shall become due and payable. If the billing Party does not disconnect the billed Party's service(s) on the date specified in such notice, and the billed Party's non-compliance continues, nothing contained herein shall preclude the billing Party from disconnecting all service(s) of the non-complying Party without further notice or from billing and collecting the appropriate charges from the billed Party. Additionally, the billing Party may require a deposit or assurance of payment (or additional deposit or assurance of payment) from the billed Party, pursuant to Section 41. In addition to other remedies that may be available at law or equity, the billing Party reserves the right to seek equitable relief, including injunctive relief and specific performance.

Adjustments, credits or payments shall be made and any corrective action shall commence within thirty (30) Days from the requesting Party's receipt of the final audit report to compensate for any errors or omissions which are disclosed by such Audit or Examination and are agreed to by the Parties.
- 51.5 Neither such right to examine and audit nor the right to receive an adjustment shall be affected by any statement to the contrary appearing on checks or otherwise, unless such statement expressly waiving such right appears in writing, is signed by the authorized representative of the Party having such right and is delivered to the other Party in a manner sanctioned by this Agreement.
- 51.6 On thirty (30) Days' written notice, each Party must provide the other the ability and opportunity to conduct an annual audit to ensure the proper routing and billing of traffic. These audits may encompass all traffic or any subset type of traffic at the initiator's option.

During the forty-five (45) Day period, CenturyLink shall provide any data back-up to BullsEye upon the request of BullsEye. If the forty-five (45) Day period has expired, CenturyLink may provide the data back-up at BullsEye's expense.

53.4.2 CenturyLink shall provide to BullsEye, Recorded Usage Data for BullsEye End Users. CenturyLink shall not submit local usage data of other providers as part of the BullsEye Recorded Usage Data.

53.4.3 CenturyLink shall not bill directly to BullsEye End Users any recurring or non-recurring charges for BullsEye's services to the End User except where explicitly permitted to do so within a written agreement between CenturyLink and BullsEye.

53.4.4 CenturyLink shall provide Recorded Usage Data to BullsEye billing locations as agreed to by the Parties.

53.4.5 CenturyLink shall bill and BullsEye shall pay the charges for Recorded Usage Data. Billing and payment shall be in accordance with the applicable terms and conditions set forth herein.

53.5 Charges

53.5.1 Access Services, including revenues associated therewith, provided in connection with the resale of services hereunder shall be the responsibility of CenturyLink and CenturyLink shall directly bill and receive payment on its own behalf from an IXC for access related to interexchange calls generated by resold or rebranded customers.

53.5.2 CenturyLink will deliver one monthly statement for Usage Data

Billing Services in the medium selected by BullsEye in the start-up process.

- a. Invoices will be provided in a standard Carrier Access Billing format or other such format as CenturyLink may determine;
- b. Where local usage charges apply and message detail is created to support available services, BullsEye will pay CenturyLink for providing such call detail;
- c. The Parties will work cooperatively to exchange information to facilitate the billing of Incollect/Outcollect and inter/intra-region alternately billed messages. CenturyLink shall settle with BullsEye for both intra-region and inter-region billing exchanges of calling card, bill-to-third party, and collect calls under separately negotiated settlement arrangements.
- d. CenturyLink shall bill for message provisioning and the provision of usage records.

53.6 Other Billed Charges. BullsEye is responsible for all charges incurred by BullsEye's End Users.

53.7 Lost Data

53.7.1 Loss of Recorded Usage Data. BullsEye Recorded Usage Data determined to have been lost, damaged or destroyed as a result of an error or omission by CenturyLink in its performance of the recording function shall be recovered by CenturyLink, if possible, at no charge to BullsEye. In the event the data cannot be recovered by CenturyLink, CenturyLink shall estimate the messages and associated revenue, with assistance from BullsEye, based upon the method described below. This method shall be applied on a consistent basis, subject to modifications agreed to by CenturyLink and BullsEye. This estimate shall be used to adjust amounts BullsEye owes CenturyLink for services CenturyLink provides in conjunction with the provision of Recorded Usage Data.

53.7.2 Partial Loss. CenturyLink shall review its daily controls to determine if data has been lost. When there has been a partial loss, actual message and minute volumes shall be reported, if possible through recovery as discussed in this Section. Where actual data are not available, a full day shall be estimated for the recording entity, as outlined in the following paragraphs. The amount of the partial loss is then determined by subtracting the data actually recorded for such day from the estimated total for such day.

53.7.3 Complete Loss. When CenturyLink is unable to recover data as discussed in this Section, estimated message and minute volumes for each loss consisting of an entire AMA tape or entire data volume due to its loss prior to or during processing, lost after receipt, demagnetized before processing, receipt of a blank or unreadable tape, or lost for other causes, shall be reported.

- 53.7.4 Estimated Volumes. From message and minute volume reports for the entity experiencing the loss, CenturyLink shall secure message/minute counts for the four (4) corresponding Days of the weeks preceding that in which the loss occurred and compute an average of these volumes. CenturyLink shall apply the appropriate average revenue per message (ARPM) agreed to by BullsEye and CenturyLink to the estimated message volume for messages for which usage charges apply to the subscriber to arrive at the estimated lost revenue.
- 53.7.5 If the Day of loss is not a holiday but one (1) or more of the preceding corresponding Days is a holiday, CenturyLink shall use additional preceding weeks in order to procure volumes for two (2) non-holidays in the previous two (2) weeks that correspond to the Day of the week that is the Day of the loss.
- 53.7.6 If the loss occurs on a weekday that is a holiday (except Christmas Day and Mother's Day), CenturyLink shall use volumes from the two (2) preceding Sundays.
- 53.7.7 If the loss occurs on Mother's Day or Christmas Day, CenturyLink shall use volumes from that Day in the preceding year multiplied by a growth factor derived from an average of BullsEye's most recent three (3) month message volume growth. If a previous year's message volumes are not available, a settlement shall be negotiated.
- 53.8 Testing, Changes and Controls
 - 53.8.1 The Recorded Usage Data format, content, and transmission process shall be tested as agreed upon by BullsEye and CenturyLink.
 - 53.8.2 Control procedures for all usage transferred between CenturyLink and BullsEye shall be available for periodic review and errors must be identified and jointly resolved as they occur. The resolution may include changes to control procedures, so similar problems would be avoided in the future. Any changes to control procedures would need to be mutually agreed upon by BullsEye and CenturyLink.
- 53.9 BullsEye Requested Changes
 - 53.9.1 BullsEye may submit a request to negotiate and pay for changes in the content and format of the usage data transmitted by CenturyLink.
 - 53.9.2 When the negotiated changes are to be implemented, BullsEye and/or CenturyLink shall arrange for testing of the modified data.
- 53.10 Rejected Recorded Usage Data
 - 53.10.1 Upon agreement between BullsEye and CenturyLink, messages that cannot be rated and/or billed by BullsEye may be returned to CenturyLink in their original format.

- 53.10.2 CenturyLink may correct and resubmit to BullsEye any messages returned to CenturyLink. CenturyLink will not be liable for any records determined by CenturyLink to be billable to a BullsEye End User. BullsEye will not return a message that has been corrected and resubmitted by CenturyLink. CenturyLink will only assume liability for errors caused by CenturyLink.

- 53.12 Usage Recording for Resold Services
 - 53.12.1 CenturyLink shall record all usage originating from BullsEye End Users using resold services ordered by BullsEye, where CenturyLink records those same services for CenturyLink End Users.

54. CENTURYLINK ACCESS TO INFORMATION RELATED TO BULLSEYE CUSTOMERS

- 54.1 CenturyLink shall have the right to access, use and disclose information related to BullsEye End Users that is in CenturyLink's possession (including, but not limited to, in CenturyLink OSS) to the extent such access, use and/or disclosure is required by law or is necessary to enforce CenturyLink's rights, or is authorized by the BullsEye in the manner required by Applicable Law.
- 54.2 Upon request by CenturyLink, BullsEye shall negotiate in good faith and enter into a contract with CenturyLink, pursuant to which CenturyLink may obtain access to BullsEye's Operations Support Systems (including, systems for pre-ordering, ordering, provisioning, maintenance and repair, and billing) and information contained in such systems at terms no less favorable than CenturyLink provides to BullsEye, to permit CenturyLink to obtain information related to BullsEye End Users (as authorized by the applicable BullsEye), to

permit End Users to transfer service from one Telecommunications Carrier to another, and for such other purposes as may be permitted by Applicable Law.

55. MAINTENANCE AND REPAIR

- 55.1 In the event of an outage or trouble in any service being provided by CenturyLink hereunder, BullsEye will follow CenturyLink's standard procedures for isolating and clearing the outage or trouble. Before submitting a repair request to CenturyLink, BullsEye will isolate trouble to the CenturyLink network and must submit test results indicating the location of the trouble when submitting the repair request.
- 55.2 CenturyLink shall provide repair, maintenance and testing for all resold Telecommunications Services that CenturyLink is able to test, in accordance with the terms and conditions of this Agreement.
- 55.3 During the term of this Agreement, CenturyLink shall provide necessary maintenance business process support as well as those technical and systems interfaces at Parity. CenturyLink shall provide BullsEye with maintenance support at Parity.
 - 55.3.1 For purposes of service restoral, CenturyLink shall designate a BullsEye access line as an Essential Service Line (ESL) at Parity with CenturyLink's treatment of its own End Users and applicable State law or regulation, if any.
- 55.4 CenturyLink shall provide BullsEye maintenance dispatch personnel on the same schedule that it provides its own subscribers.
- 55.5 All CenturyLink employees or contractors who perform repair service for BullsEye End Users shall follow CenturyLink standard procedures in all their communications with BullsEye End Users. These procedures and protocols shall ensure that.
 - 55.5.1 CenturyLink employees or contractors shall perform repair service that is equal in quality to that provided to CenturyLink End Users; and
 - 55.5.2 Trouble calls from BullsEye shall receive response time priority that is equal to that of CenturyLink End Users and shall be handled on a "first come first served" basis regardless of whether the End User is a BullsEye End User or a CenturyLink End User.
- 55.6 On all misdirected calls from BullsEye End Users requesting repair, CenturyLink shall provide such BullsEye End User with the correct BullsEye repair telephone number as such number is provided to CenturyLink by BullsEye. If CenturyLink initiates trouble handling procedures, it will bear all costs associated with that activity. If BullsEye requests the trouble dispatch, and either there is no trouble found, or the trouble is determined to be beyond the End User Demarcation Point, then BullsEye will bear the cost.

ARTICLE V. RESALE

56. LOCAL TELECOMMUNICATIONS SERVICES PROVIDED FOR RESALE

- 56.1 All services made available by CenturyLink, which are to be offered for resale pursuant to the Act, are subject to the terms and conditions herein, the applicable general terms and conditions in Article II, and Applicable Law. CenturyLink will make available to BullsEye for resale to End Users any local Telecommunications Services that CenturyLink currently offers, or may offer hereafter, on a retail basis to subscribers that are not Telecommunications Carriers, including such services as are made available by CenturyLink to its retail End Users via its applicable local retail Tariff or other retail Telecommunication Service offerings (hereinafter, "resold services"). Terms, conditions, and use limitations for BullsEye shall be in Parity with services offered by CenturyLink to its End Users. The list of services described herein which CenturyLink shall make available to BullsEye for resale pursuant to this Agreement is neither all inclusive nor exclusive.
- 56.2 Resold services are available where facilities currently exist and are capable of providing such services without construction of additional facilities or enhancement of existing facilities. However, if BullsEye requests that facilities be constructed or enhanced to provide services for resale, CenturyLink will construct facilities to the extent necessary to satisfy its obligations to provide basic Telephone Exchange Service as set forth in CenturyLink retail Tariffs, catalogs, price lists, or other retail Telecommunications Services offerings and Commission rules. Under such circumstances, CenturyLink will develop and provide to BullsEye a price quote for the facilities construction. Construction charges associated with resold services will be applied in the same manner that construction charges apply to CenturyLink retail End Users. If the price quote is accepted by BullsEye, BullsEye will be billed the quoted price and construction will commence after receipt of payment.
- 56.3 Except as otherwise agreed to in writing by CenturyLink, CenturyLink shall not be responsible for the installation, inspection, maintenance, repair or removal, of facilities, equipment, software, or wiring provided by BullsEye or BullsEye's End Users for use with any resold services.
- 56.4 CenturyLink and its suppliers shall retain all rights, title and interest in any respective facilities, equipment, software, information, and wiring, used to provide BullsEye with resold services under this Agreement.
- 56.5 When applicable, CenturyLink shall have access at all reasonable times to BullsEye customer locations for the purpose of installing, inspecting, maintaining, repairing, and removing, facilities, equipment, software, and wiring, used to provide resold services under this Agreement. BullsEye shall, at BullsEye's expense, obtain any rights and/or authorizations necessary for such access.

57. GENERAL TERMS AND CONDITIONS FOR RESALE SERVICES

- 57.1 BullsEye as Customer of Record. BullsEye will be the customer of record for all resold services purchased from CenturyLink. Except as specified herein, CenturyLink will take orders from, bill and expect payment from BullsEye for all services ordered.

- 57.2 Billing. CenturyLink shall not be responsible for the manner in which BullsEye bills its End Users. All applicable rates and charges for services provided to BullsEye or to BullsEye's End Users under this Agreement will be billed directly to BullsEye and shall be the responsibility of BullsEye regardless of BullsEye's ability to collect; including but not limited to toll and third-party charges unless BullsEye has taken appropriate actions to restrict BullsEye's End Users' ability to incur such charges.
- 57.3 Local Calling Detail. BullsEye will be billed for message provisioning at the rates set forth in Article VII. If BullsEye requests additional copies of the monthly invoice, BullsEye may also be billed for the additional copies.
- 57.4 Originating Line Number Screening (OLNS). Upon request and when CenturyLink is technically able to provide and bill the service, CenturyLink will update the database to provide OLNS, which indicates to an operator the acceptable billing methods for calls originating from the calling number (e.g., penal institutions, COCOTS).
- 57.5 Timing of Messages. With respect to CenturyLink resold measured rate local service(s), where applicable, chargeable time begins when a connection is established between the calling station and the called station. Chargeable time ends when the calling station "hangs up," thereby releasing the network connection. If the called station "hangs up" but the calling station does not, chargeable time ends when the network connection is released by automatic timing equipment in the network.

58. PRICING

- 58.1 Calculation of the Resale Discount and the Resulting Resale Rate. A discount as shown in Table 1 shall apply to the retail rate of Telecommunications Services made available for resale in this Article, except those services excluded from resale or from receiving the resale discount as set forth in this Article or Applicable Law.
- 58.2 Promotions. CenturyLink will make available for resale those promotional offerings that are greater than ninety (90) Days in duration, and any special promotional rate will be subject to the applicable resale discount. CenturyLink will make available for resale those promotional offerings that are less than ninety (90) Days in duration; however, any special promotional rate or other promotional offering will not be subject to and may not be used with the applicable resale discount. For promotional offerings that are less than ninety (90) Days in duration, BullsEye may choose either the promotion or the discount at its discretion. In all cases, in order to obtain a promotional offering, BullsEye must qualify for the promotional offering under the stated terms of the offering and must request the offering at the time of order placement. BullsEye shall not be eligible for any post-provisioning retroactive applicability of a promotional offering.
- 58.3 Resale of "As Is" Services. When a CenturyLink End User changes service providers to BullsEye resold service of the same type without any additions or changes, the only applicable non-recurring charge will be the LSR Service Order charge.

- 58.4 Resale with Changes in Services. If a BullsEye End User adds features or services when the End User changes its resold local service from CenturyLink or another service provider to BullsEye, CenturyLink will charge BullsEye the normal LSR Service Order charges and/or non-recurring charges associated with said additions.
- 58.5 End User Contractual Arrangements. CenturyLink will offer for resale its currently existing (signed by an End User) Contract Service Arrangements, Special Arrangements, or ICBs in accordance with FCC and Commission Rules and Regulations. The End User's contractual arrangement with CenturyLink will terminate and any applicable termination liabilities will be charged to the End User. The terms of the terminated CenturyLink Contract Service Arrangement, Special Arrangement or ICB will apply to the respective resold services beginning on the date BullsEye commences to provide service to the End User and ending on the end date of the Contract Service Arrangement, Special Arrangement or ICB.
- 58.5.1 CenturyLink will bill BullsEye the rate in the Contract Service Arrangement, Special Arrangement or ICB until the originally contracted end date for such services.
- 58.5.2 If CenturyLink does not receive a termination notice for the arrangement from BullsEye that specifies termination on the contractual end date, BullsEye will have the choice of accepting a new contractual arrangement at then-current terms and pricing or moving to the closest Tariffed or otherwise offered service equivalent. If BullsEye does not invoke its choice within 10 Business Days following the end date, then CenturyLink may select either alternative at its discretion. Any change in the rates shall be retroactive to the most recent arrangement end date.
- 58.5.3 Notwithstanding Section 58.5.2, CenturyLink at its discretion may terminate any contractual arrangement at the specified end date with no obligation to offer any replacement service.
- 58.6 Nonrecurring Charges. The resale discount, as shown in the Resale attachment of this Agreement, does not apply to non-recurring charges (NRCs), whether such NRCs are contained in this Agreement, in CenturyLink's applicable retail Tariffs or as otherwise offered on a retail basis.

59. LIMITATIONS AND RESTRICTIONS ON RESALE

- 59.1 In addition to the limitations and restrictions set forth in this Agreement, CenturyLink may impose other reasonable and non-discriminatory conditions or limitations on the resale of its Telecommunications Services to the extent permitted by Applicable Law.
- 59.2 Cross-Class Selling. BullsEye will not resell to one class of customers a service that is offered by CenturyLink only to a particular class of customers to classes of customers that are not eligible to subscribe to such services from CenturyLink (e.g., R-1 to B-1, disabled services or lifeline services to non-qualifying customers).

- 59.3 Advanced Telecommunications Services Sold to ISPs. Advanced Telecommunications Services (Advanced Services) sold to Internet Service Providers (ISPs) as an input component to the ISPs' retail internet service offering shall not be eligible for the resale discount under the terms of this Agreement.
- 59.4 Voice Mail Service. Voice Mail Service is not a Telecommunications Service subject to resale under this Agreement. Where offered, BullsEye may purchase Voice Mail Service and related services for its End Users at CenturyLink's retail rates; however, no resale discount applies.
- 59.5 Hospitality Service. CenturyLink will provide all blocking, screening, and other applicable functions available for hospitality lines under Tariff.
- 59.6 LIDB Administration. CenturyLink will maintain customer information for BullsEye End Users who subscribe on a retail basis to resold CenturyLink local service dial tone lines, in CenturyLink's LIDB in the same manner that it maintains information in LIDB for its own similarly situated End Users. CenturyLink will update and maintain BullsEye's information in LIDB on the same schedule that it uses for its own similarly situated End Users.
- 59.6.1 Until such time as CenturyLink's LIDB has the software capability to recognize a resold number as BullsEye's, CenturyLink will store the resold number in its LIDB at no charge and will retain revenue for LIDB look-ups to the resold number.
- 59.7 Special Access Services. BullsEye may purchase for resale special Access Services; however, no resale discount applies.
- 59.8 COCOT Coin or Coinless Lines. BullsEye may purchase for resale COCOT coin or coinless line services; however, no resale discount applies.
- 59.9 Grandfathered Services. Services identified in CenturyLink Tariffs as Grandfathered in any manner are available for resale only to End Users that already have such Grandfathered Service. An existing End User may not move a Grandfathered Service to a new service location. If an End User's Grandfathered Service is terminated for any reason, such Grandfathered Service may not be reinstalled. Grandfathered Services are subject to a resale discount, as provided in Table 1.
- 59.10 Universal Emergency Number Service. Universal Emergency Number Service is not a separate service available for resale. Universal Emergency Number Service (E911/911 Service) is provided with each local Telephone Exchange Service line resold by BullsEye whenever E911/911 Service would be provided on the same line if provided by CenturyLink to a CenturyLink End User.
- 59.11 Services provided for BullsEye's Own Use. Telecommunications Services provided directly to BullsEye for its own use or for the use of its Subsidiaries and Affiliates and not resold to BullsEye's End Users must be identified by BullsEye as such, and BullsEye will pay CenturyLink's retail prices for such services.

- 59.12 BullsEye shall not use resold local Telecommunications Services to provide access or Interconnection services to itself, its Subsidiaries and Affiliates, Interexchange Carriers (IXCs), wireless carriers, competitive access providers (CAPs), or any other Telecommunications providers; provided, however, that BullsEye may permit its subscribers to use resold local exchange telephone service to access IXCs, wireless carriers, CAPs, or other retail Telecommunications providers.
- 59.13 BullsEye may resell services that are provided at a volume and/or term discount in accordance with the terms and conditions of the applicable Tariff. Any volume and/or term discount shall be applied first to the retail price, and the resale discount shall be applied thereafter. BullsEye shall not permit the sharing of a service by multiple End User(s) or the aggregation of traffic from multiple End Users' lines or locations onto a single service for any purpose, including but not limited to the purpose of qualifying for a volume and/or term discount. Likewise, BullsEye shall not aggregate the resold services to individual End Users at multiple addresses to achieve any volume discount where such may be available pursuant to Tariff or special promotion.

60. CHANGES IN RETAIL SERVICE

- 60.1 CenturyLink will notify BullsEye, at the time a Tariff is filed with the Commission, of any changes in the prices, terms and conditions under which CenturyLink offers Telecommunications Services at retail to subscribers who are not Telecommunications Carriers by posting such changes on CenturyLink's Website. Such changes may include, but not be limited to, the introduction of any new features, functions, services, promotions in excess of ninety (90) Days in duration, or the discontinuance or Grandfathering of current features and services. Where BullsEye has signed up for or subscribed to CenturyLink's email notification service, CenturyLink also will provide notice to BullsEye of such changes by posting the same to CenturyLink's Website, with email notification of such postings.

61. REQUIREMENTS FOR SPECIFIC SERVICES

- 61.1 E911/911 Services. CenturyLink will use its standard Service Order process to update and maintain the BullsEye customer service information in the Automatic Location Identification/Database Management System (ALI/DMS) used to support 911 Services on the same schedule that it uses for its own retail End Users. CenturyLink will provide BullsEye End User information to the PSAP. BullsEye shall update its End User's 911 information through the LSR process. CenturyLink assumes no liability for the accuracy of information provided by BullsEye, and CenturyLink shall not be responsible for any failure of BullsEye to provide accurate End User information for listings in any databases in which CenturyLink is required to retain and/or maintain such information.
- 61.1.1 BullsEye shall be responsible for collecting from its End Users and remitting all applicable 911 fees and surcharges, on a per line basis, to the appropriate Public Safety Answering Point (PSAP) or other governmental authority responsible for collection of such fees and surcharges subject to Applicable Law.

- 61.2 Suspension of Service. BullsEye may offer to resell End User-Initiated Suspension and Restoral Service to its End Users if and to the extent offered by CenturyLink to its retail End Users.
- 61.2.1 BullsEye may also provide CenturyLink-Initiated Suspension service for its own purposes, where available. CenturyLink shall make these services available at the retail rate less the resale discount on the monthly recurring charge only. No discount shall apply to non-recurring charges. BullsEye shall be responsible for placing valid orders for the suspension and the subsequent disconnection or restoral of service to each of its End Users.
- a. If BullsEye submits a request for a disconnection of an End User service and subsequently requests reconnection of the same End User service, the terms for suspension of service will apply.
 - b. Service Order charges and any applicable Tariff fees will apply to all temporary suspension and restoral requests made by BullsEye including disconnection and subsequent reconnection requests for the same End User service.
- 61.2.2 If BullsEye suspends service for one of its End Users and fails to submit a subsequent disconnection order within the maximum number of Days permitted for a company-initiated suspension pursuant to the applicable Tariff or Applicable Law, BullsEye shall be charged and shall be responsible for all appropriate monthly service charges for the End User's service from the suspension date through the disconnection date.
- 61.2.3 If BullsEye restores its End User, restoral charges will apply, and BullsEye will be billed for the appropriate service from the time of suspension.
- 61.3 End User Retention of Telephone Number. Telephone numbers may not be retained after a switch to a new provider if the physical service address of the End User subsequently changes to one served by a different Rate Center.

62. PRE-ORDERING AND ORDERING

- 62.1 CenturyLink will provide pre-ordering and ordering services for resale services to BullsEye consistent with CenturyLink's published Standard Practices.
- 62.2 Telephone Number Assignments. Where BullsEye resells service to a new (not currently existing) End User, CenturyLink will allow BullsEye to place Service Orders and receive phone number assignments.
- 62.2.1 When BullsEye uses numbers from a CenturyLink NXX, CenturyLink will provide the same range of number choices to BullsEye, including choice of exchange number, as CenturyLink provides its own subscribers. Reservation and aging of CenturyLink NXXs will remain CenturyLink's responsibility.
- 62.2.2 CenturyLink will provide BullsEye with the ability to obtain telephone numbers while a subscriber is on the phone with BullsEye.

62.2.3 In conjunction with an order for service, and only to the extent such are available, CenturyLink will accept BullsEye orders for blocks of numbers for use with complex services including, but not limited to, DID, Centrex, and Hunting arrangements, as requested by BullsEye.

62.2.4 Number reservations. Number reservations shall only be made available to BullsEye for the same time period that CenturyLink offers to its own subscribers pursuant to Tariff or other published terms. CenturyLink reserves the right to cancel any number reservation without notice upon the end of the specified time period.

a. CenturyLink will not accept any number reservations from BullsEye if CenturyLink's own subscribers are not offered the ability to reserve numbers.

b. For simple services number reservations and aging of CenturyLink's numbers, CenturyLink will provide real-time confirmation of the number reservation when the Electronic Interface has been implemented. For number reservations associated with complex services, CenturyLink will provide confirmation of the number reservation within twenty-four (24) hours of BullsEye's request. Consistent with the manner in which CenturyLink provides numbers to its own subscribers, no telephone number assignment is guaranteed until service has been installed.

62.3 Maintenance. CenturyLink will provide repair and maintenance services to BullsEye and its End Users for resold services in accordance with the terms set forth in Article IV of this Agreement, which are the same standards and charges used for such services provided to CenturyLink End Users. CenturyLink will not initiate a maintenance call or take action in response to a trouble report from a BullsEye End User until such time as trouble is reported to CenturyLink by BullsEye. BullsEye must provide to CenturyLink all End User information necessary for the installation, repair and servicing of any facilities used for resold services as described in the published CenturyLink Standard Practices.

63. ACCESS CHARGES

63.1 CenturyLink retains all revenue due from other carriers for access to CenturyLink's facilities, including both switched and special access charges. CenturyLink retains all Switched Access Service revenues when providing Switched Access Services for BullsEye's retail End Users served via resale. When BullsEye resells special access to its End Users, CenturyLink is not entitled to any special access revenues from BullsEye's End Users.

64. RESALE OF BULLSEYE'S TELECOMMUNICATIONS SERVICES

64.1 The Parties also acknowledge that BullsEye is required pursuant to 47 U.S.C. §251(b) to make available its Telecommunications Services to CenturyLink for resale by CenturyLink. Upon request by CenturyLink, BullsEye shall provide for resale of BullsEye's Telecommunications Services under the same terms and conditions as those that are offered by CenturyLink to BullsEye under this Agreement.

65. TAG AND LABEL

65.1 At BullsEye's request, CenturyLink will tag and label services terminated at the Network Interface Device (NID). Tag and label may be ordered as a stand-alone service.

65.1.1. CenturyLink will include the following information on the label: order number, due date, BullsEye name, and the circuit number.

65.1.2. BullsEye must specify on the order form whether each service terminating at the NID should be tagged and labeled.

65.1.3. The rates for tag and label and related services are set forth on Table 1. A trip charge may be billed in addition to the tag and label charges.

ARTICLE VI. ADDITIONAL SERVICES

66. DIRECTORY ASSISTANCE

66.1 The Parties acknowledge that CenturyLink is not a Directory Assistance (DA) provider. CenturyLink provides directory listings information for its subscribers to third party DA providers to be included in the national and local databases used by such third party providers. The Parties agree that to the extent the DA provider contracted by BullsEye for DA services to BullsEye's subscribers also populates the national DA database, then BullsEye's DA listings have been made available to CenturyLink's subscribers and no further effort is needed by either Party. If for any reason, BullsEye desires that CenturyLink act as a middleman conduit for the placement of BullsEye's DA listings in the DA database(s), then CenturyLink shall provide such compensable DA listings service pursuant to separate written terms and conditions between CenturyLink and BullsEye which will be attached to this Agreement as an Amendment.

67. DIRECTORY LISTINGS SERVICE

67.1 These requirements pertain to CenturyLink's Listings Service Request process that enables BullsEye to (i) submit BullsEye End User information for inclusion in Directory Listings databases; and (ii) submit BullsEye End User information for inclusion in published directories.

67.2 When implemented by the Parties, CenturyLink shall accept orders on a real-time basis via Electronic Interface in accordance with OBF Directory Service Request standards. For manual orders, CenturyLink shall create a standard format and order process by which BullsEye can place an order with a single point of contact within CenturyLink.

67.3 CenturyLink will provide to BullsEye the following Directory Listing Migration Options:

67.3.1 Migrate "As Is". Retain all white page listings for the End User in both DA and DL. Transfer ownership and billing for white page listings to BullsEye.

67.3.2 Migrate with Changes. Incorporate the specified changes (e.g., additional listings order, deletions, or other changes to existing listing information). Transfer ownership and billing for the white page listings to BullsEye.

67.4 CenturyLink shall update and maintain directory listings information to reflect which of the following categories BullsEye subscribers fall into:

67.4.1. "LISTED" means the listing information is available for all directory requirements;

67.4.2. "NON-LISTED" means the listing information is available for all directory assistance purposes, but the information does not appear in the published directory;

67.4.3. "NON-PUBLISHED" means that the listing information is not available in either the published directory or directory assistance.

- 67.5 Based on changes submitted by BullsEye, CenturyLink shall update directory listings data for BullsEye End Users who:
 - 67.5.1 Disconnect Service;
 - 67.5.2 Change Local Provider;
 - 67.5.3 Install Service;
 - 67.5.4 Change any service which affects DA information;
 - 67.5.5 Specify Non-Solicitation; and
 - 67.5.6 Change categories from Non-Published, Non-Listed, or Listed.
- 67.6 The charge for storage and maintenance of BullsEye End User information in the DL system is included in the rates where BullsEye is buying resold services with respect to specific addresses. If BullsEye does not purchase resold services, BullsEye shall pay for such storage and maintenance services at the rate reflected on Table 1.
- 67.7 BullsEye acknowledges that certain directory functions are not performed by CenturyLink but rather are performed by and are under the control of the directory publisher, and CenturyLink shall not have any liability to BullsEye for any acts or omissions of the publisher.
- 67.8 BullsEye acknowledges that for a BullsEye End User's name to appear in a directory, BullsEye must either (i) submit an LSR (e.g. an LNP order) or a Directory Service Request (DSR) reflecting a request for directory listing, or (ii) contract directly with the publisher. If BullsEye wants to delete an End User listing from CenturyLink's database (e.g. if BullsEye contracts directly with the publisher), BullsEye must submit an appropriate LSR (such as an LNP order) or a DSR. All orders will be subject to applicable charges reflected on Table 1.
- 67.9 BullsEye shall provide directory listings to CenturyLink pursuant to the directory listing and delivery requirements in the data format currently used by CenturyLink, at a mutually agreed upon timeframe. Other formats and requirements shall not be used unless mutually agreed to by the parties.
- 67.10 Traditional White Pages Listings.
 - 67.10.1 CenturyLink shall include in its master End User system database all white pages listing information for BullsEye End Users whose information was properly submitted using an LSR.
 - 67.10.2 When BullsEye purchases resold services at a specific address, one basic White pages listing for each BullsEye End User is included in the rates or the Resale discount in Table 1. If BullsEye requests a listing for an address where BullsEye is not buying resold services, BullsEye shall pay for all requested listings for such address at the rate reflected on Table 1. A basic White Pages listing is defined as a customer name, address and one primary telephone number.

- 67.10.3 BullsEye agrees to provide customer listing information for BullsEye's subscribers to CenturyLink, at no charge. CenturyLink will provide BullsEye with the appropriate format for provision of BullsEye customer listing information to CenturyLink. The parties agree to adopt a mutually acceptable electronic format for the provision of such information as soon as practicable.
- 67.10.4 BullsEye will be charged a Service Order entry fee upon submission of Service Orders into CenturyLink's Service Order Entry (SOE) System. Service Order entry fees apply when Service Orders containing directory records are entered into CenturyLink's SOE System initially, and when Service Orders are entered in order to process a requested change to directory records.
- 67.10.5 BullsEye End User listing information will be used solely for the provision of directory services, including the sale of directory advertising to BullsEye End Users.
- 67.10.6 In addition to a basic White Pages listing, CenturyLink will provide Tariffed White Pages listings (e.g., additional, alternate, foreign and non-published listings) for BullsEye to offer for resale to BullsEye's End Users.
- 67.10.7 CenturyLink will accord BullsEye End User listing information the same level of confidentiality that CenturyLink accords its own proprietary customer listing information. CenturyLink shall ensure that access to BullsEye End User proprietary listing information will be limited solely to those of CenturyLink and CenturyLink's directory publisher's employees, agents and contractors that are directly involved in the preparation of listings, the production and distribution of directories, and the sale of directory advertising. CenturyLink will advise its own employees, agents and contractors and its directory publisher of the existence of this confidentiality obligation and will take appropriate measures to ensure their compliance with this obligation.
- 67.10.8 CenturyLink will provide BullsEye's End User listing information to any third party to the extent required by Applicable Rules.
- 67.11 Other Directory Services.
 - 67.11.1 Both parties acknowledge that CenturyLink's directory publisher is not a party to this Agreement and that the provisions contained in this Agreement are not binding upon CenturyLink's directory publisher.
 - 67.11.2 CenturyLink agrees to include critical contact information pertaining to BullsEye in the "Information Pages" of those of its White Pages directories containing information pages, if BullsEye meets criteria established by its directory publisher. Critical contact information includes BullsEye's business office number, repair number, billing information number, and any other information required to comply with applicable regulations, but not advertising or purely promotional material. BullsEye will not be

charged for inclusion of its critical contact information. The format, content and appearance of BullsEye's critical contact information must conform to applicable directory publisher's guidelines and will be consistent with the format, content and appearance of critical contact information pertaining to all BullsEyes in a directory.

- 67.11.3 The directory publisher shall maintain full authority as publisher over its publishing policies, standards and practices, including decisions regarding directory coverage area, directory issue period, compilation, headings, covers, design, content or format of directories, and directory advertising sales.

ARTICLE VII. PRICING

68. GENERAL PRICING TERMS

- 68.1 All prices under this Agreement are set forth in the attachments designated Table 1 of this Agreement which are hereby incorporated into, and made a part of, this Agreement. If this Agreement provides for a service that does not have a corresponding rate in Table 1, CenturyLink will develop a rate consistent with the relevant Section.
- 68.2 Subject to the provisions of Section 9, all rates provided under this Agreement shall remain in effect for the term of this Agreement.

69. APPLICATION OF NON RECURRING CHARGES

- 69.1 Pre-ordering:
- 69.1.1 "Account Establishment" is a one-time charge applied the first time that BullsEye orders any service from a CenturyLink Affiliate that is a Party to this Agreement.
- 69.1.2 "Customer Record Search" applies when BullsEye requests a summary of the services currently subscribed to by the End User Customer.

70. NON-RECURRING CHARGES (NRCS) FOR RESALE SERVICES

- 70.1 NRCs, other than those for Pre-ordering and Custom Handling specifically listed in this attachment, will be charged from the appropriate retail Tariff.
- 70.2 For subscriber conversions requiring coordinated cut-over activities, coordinated hot cut charges will apply on a per order basis in addition to all other appropriate charges.

71. TO BE DETERMINED (TBD) PRICES

- 71.1 Certain provisions in this Agreement and its Appendices and/or Attachments may simply refer to pricing principles or identify a rate as "to be determined" or "TBD." If a provision references a specific rate element in Table 1 and there are no corresponding prices or rates in such Table 1, such price shall be considered TBD.
- 71.2 In the event the Parties are unable to agree upon a price for a TBD item, CenturyLink will use the Tariffed rate, if one exists, for the most analogous Tariffed product or service as the interim price. Either Party may then invoke the dispute resolution process set forth in Article II to resolve disputes regarding TBD pricing or the interim price, provided that such dispute resolution process is invoked no later than one (1) year after the applicable interim price is established. Any interim price will be subject to a true-up, not to exceed one (1) year, once a permanent price is established.
