Re: Violation of Oregon Utility Notification Center Rules
DOJ File No.: 860-100-GP0046-09 / Docket No.: NC 264

**PLEASE READ ALL DOCUMENTS CAREFULLY –
DIRECT ALL CORRESPONDENCE TO THE PUBLIC UTILITY COMMISSION OF OREGON**

On May 5, 2009, a representative from your company met with the Oregon Utility Notification Center (OUNC) Enforcement Committee to discuss an alleged rule violation. At that meeting, an agreement was reached regarding penalties for the violation.

Enclosed are two sets of documents that formalize the allegation and the agreement. One set is made up of original documents. The other set is a set of copies for your files.

Please refer to the originals. The complaint simply serves as a formal notice to you of the violation you were charged with and requires that you submit an Answer to the **Public Utility Commission** responding to the allegation. You must serve your Answer on the Commission by mailing it to the Public Utility Commission of Oregon, Administrative Hearings Division, PO Box 2148, Salem, OR 97308-2148. Filing an answer would be your opportunity to admit or deny the allegation and, if denied, to ask for a formal hearing. Because you already reached an agreement with the OUNC Committee, you do not need to submit an answer. Instead, you need only sign and return the enclosed Stipulation in order to answer the Complaint.

The Stipulation sets forth the terms and conditions of the agreement you reached with the committee. **You must sign and return the Stipulation within 20 days of the date of this letter in order for it to be approved by the Public Utility Commission as a resolution to the pending Complaint. You need not make payment until the Commission has issued a final order in this matter.**

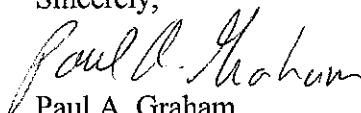

If for some reason you no longer agree to the terms of the Stipulation, you **MUST FILE AN ANSWER TO THE COMPLAINT**, admitting or denying the allegation.

If there is a discrepancy between the formal Stipulation and the agreement reached at the meeting that causes you concern, please contact Michael Thompson at (503) 378-6760.

Otherwise, please return the signed Stipulation to the Public Utility Commission of Oregon at the following address so this matter can be resolved:

STIPULATION FOR ENTRY OF FINAL ORDER

11 The Public Utility Commission of Oregon, appearing by and through Paul A. Graham,
12 Assistant Attorney General, and Pro Landscape, Inc., the defendant herein, hereby stipulate as
13 follows:

14 1.

15 A Complaint in this case is pending before the Commission charging the defendant with
16 one violation of law, OAR 952-001-0050.

17 2.

18 Both parties to this proceeding are willing to forego further processing of that Complaint
19 and further are willing to resolve this matter on the basis of this stipulation.

20 3.

21 The defendant admits that the violation was committed as alleged in the Complaint and is
22 willing for the Commission to enter an order finding that the violation was committed as alleged
23 in the Complaint.

24 4.

25 The parties further agree that the Commission may enter an order assessing civil
26 monetary penalties against the defendant in the amount of \$1,000 under the following terms and
conditions:

1 A. Defendant shall sign and return this stipulation within 20 days of the date it was served
2 upon (mailed to) defendant.

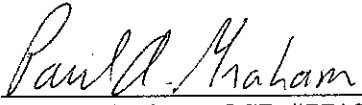

3 B. \$1,000 shall be permanently suspended and no further penalties shall be imposed for the
4 violation alleged in the Complaint unless defendant fails to comply with all of the rules
5 adopted by the Oregon Utility Notification Center (OUNC) under ORS 757.552 for a one
6 year period following date of the Commission's entry of a final order.

7 C. In the event that complainant contends that the defendant has not complied with all
8 OUNC rules for that one year period, complainant may reopen this proceeding and petition
9 for imposition of all or a portion of the suspended penalties. In such case defendant shall be
10 entitled to a hearing and to be notified of the basis upon which complainant contends that
11 compliance has not occurred.

12 5.

13 This stipulation is conditioned upon final approval of its terms by the Commission. If the
14 stipulation is not accepted in its entirety, it shall be deemed withdrawn.
