Re: Violation of Oregon Utility Notification Center Rules  
DOJ File No.: 860-100-GP0071-09 / Docket No.: NC 271

**PLEASE READ ALL DOCUMENTS CAREFULLY –  
DIRECT ALL CORRESPONDENCE TO THE PUBLIC UTILITY COMMISSION OF OREGON**

On May 27, 2009, a representative from your company met with the Oregon Utility Notification Center (OUNC) Enforcement Committee to discuss an alleged rule violation. At that meeting, an agreement was reached regarding penalties for the violation.

Enclosed are two sets of documents that formalize the allegation and the agreement. One set is made up of original documents. The other set is a set of copies for your files.

Please refer to the originals. The complaint simply serves as a formal notice to you of the violation you were charged with and requires that you submit an Answer to the **Public Utility Commission** responding to the allegation. You must serve your Answer on the Commission by mailing it to the Public Utility Commission of Oregon, Administrative Hearings Division, PO Box 2148, Salem, OR 97308-2148. Filing an answer would be your opportunity to admit or deny the allegation and, if denied, to ask for a formal hearing. Because you already reached an agreement with the OUNC Committee, you do not need to submit an answer. Instead, you need only sign and return the enclosed Stipulation in order to answer the Complaint.

The Stipulation sets forth the terms and conditions of the agreement you reached with the committee. **You must sign and return the Stipulation within 20 days of the date of this letter in order for it to be approved by the Public Utility Commission as a resolution to the pending Complaint. You need not make payment until the Commission has issued a final order in this matter.**

If for some reason you no longer agree to the terms of the Stipulation, you **MUST FILE AN ANSWER TO THE COMPLAINT**, admitting or denying the allegation.

If there is a discrepancy between the formal Stipulation and the agreement reached at the meeting that causes you concern, please contact Michael Thompson at (503) 378-6760.

Otherwise, please return the signed Stipulation to the Public Utility Commission of Oregon at the following address so this matter can be resolved:
