Re: Violation of Oregon Utility Notification Center Rules
DOJ File No.: 860-100-GP0088-10 / Docket No.: NC 295

**PLEASE READ ALL DOCUMENTS CAREFULLY –
DIRECT ALL CORRESPONDENCE TO THE PUBLIC UTILITY COMMISSION OF OREGON**

On July 28, 2010, a representative from your company met with the Oregon Utility Notification Center (OUNC) Enforcement Committee to discuss an alleged rule violation. At that meeting, an agreement was reached regarding penalties for the violation.

Enclosed are two sets of documents that formalize the allegation and the agreement. One set is made up of original documents. The other set is a set of copies for your files.

Please refer to the originals. The complaint simply serves as a formal notice to you of the violation you were charged with and requires that you submit an Answer to the **Public Utility Commission** responding to the allegation. You must serve your Answer on the Commission by mailing it to the Public Utility Commission of Oregon, Administrative Hearings Division, PO Box 2148, Salem, OR 97308-2148. Filing an answer would be your opportunity to admit or deny the allegation and, if denied, to ask for a formal hearing. Because you already reached an agreement with the OUNC Committee, you do not need to submit an answer. Instead, you need only sign and return the enclosed Stipulation in order to answer the Complaint.

The Stipulation sets forth the terms and conditions of the agreement you reached with the committee. **You must sign and return the Stipulation within 20 days of the date of this letter in order for it to be approved by the Public Utility Commission as a resolution to the pending Complaint. You need not make payment until the Commission has issued a final order in this matter.**

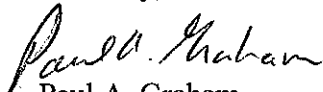

If for some reason you no longer agree to the terms of the Stipulation, you **MUST FILE AN ANSWER TO THE COMPLAINT**, admitting or denying the allegation.

If there is a discrepancy between the formal Stipulation and the agreement reached at the meeting that causes you concern, please contact Michael Thompson at (503) 378-6760.

Otherwise, please return the signed Stipulation to the Public Utility Commission of Oregon at the following address so this matter can be resolved:

OUNC adopted OAR 952-001-0070 which was in effect at all times herein relevant. The rule provides in relevant part:

(1) * * * [W]ithin two business days (48 hours) after the excavator notifies the Oregon Utility Notification Center of a proposed excavation, the operator or its designated agent shall:

(a) Mark with reasonable accuracy all of its locatable underground facilities within the area of proposed excavation. All marks shall indicate the name, initials or logo of the operator of the underground facilities, and the width of the facility if it is greater than two (2) inches;

(b) Provide marks to the excavator of the unlocatable underground facilities in the area of proposed excavation, using the best information available including as-constructed drawings or other facility records that are maintained by the facility operator; or

(c) Notify the excavator that the operator does not have any underground facilities in the area of the proposed excavation. Acceptable notifications must include locate request call back information and if done using an AVR (Automatic Voice Response) must have a repeat option and call back number to hear the information again.

6.

On or about May 25, 2010, defendant violated OAR 952-001-0070 (1) in that the defendant failed to locate and mark with reasonable accuracy all of its locatable underground facilities within the area of proposed excavation.

7.

ORS 757.993 provides, in relevant part, that:

“* * * every person who violates or who procures, aids or abets in the violation of any rule of the Oregon Utility Notification Center shall incur a penalty of not more than \$1,000 for the first violation and not more than \$5,000 for each subsequent violation.”

8.

Defendant has violated OUNC rules in the past resulting in Order No. 09-404 entered on October 7, 2009, which assessed a civil penalty of \$1,000. The order suspended \$800 of the \$1,000 penalty on the condition that defendant comply with OUNC rules for a one-year period.

1 Because defendant committed the violation described in the current complaint within the
2 one-year period from the date the prior order was issued, the suspended penalty shall be
3 reinstated.

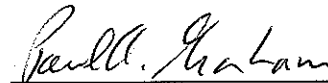

4 9.

5 WHEREFORE, the Commission directs the defendant to file a verified answer to this
6 complaint within twenty (20) days from the date this complaint is mailed to the defendant. If no
7 verified answer or other written appearance raising a question of fact or law is filed with the
8 Commission at its office in Salem, Oregon, within the 20-day period, the allegations of the
9 complaint shall be deemed admitted, and a penalty shall be imposed in the amount of \$5,000 for
10 the alleged violation, and the \$800 penalty that was suspended in the prior order issued against
11 defendant shall be reinstated, for a total penalty of \$5,800.

12 DATED this 23rd day of September, 2010.

13 Respectfully submitted,

The parties further agree that the Commission may enter an order assessing civil monetary penalties against the defendant in the amount of \$5,800 under the following terms and conditions:

- A. \$2,500 for the current complaint, plus the \$800 suspended in Order No. 09-404. This combined amount of \$3,300 shall become due and payable on or before the 30th day following the Commission’s entry of a final order in this case.
- B. Payment shall be by money order or company check made out to the **Public Utility Commission of Oregon**, and the memo line of the money order or company check shall state the “NC” docket number in the caption of this stipulation. Payment of the balance of the penalties (\$2,500) shall be permanently suspended and no further penalties shall be imposed for the violation alleged in the Complaint unless defendant fails to comply with all of the rules adopted by the Oregon Utility Notification Center (OUNC) under ORS 757.552 for a one year period following date of the Commission’s entry of a final order.
- C. In the event that complainant contends that the defendant has not complied with all OUNC rules for that one year period, complainant may reopen this proceeding and petition for imposition of all or a portion of the suspended penalties. In such case defendant shall be entitled to a hearing and to be notified of the basis upon which complainant contends that compliance has not occurred.
