Re: Violation of Oregon Utility Notification Center Rules  
DOJ File No. 860140-GB0359-17 / Docket No. NC 364

**PLEASE READ ALL DOCUMENTS CAREFULLY –  
DIRECT ALL CORRESPONDENCE TO THE PUBLIC UTILITY COMMISSION OF OREGON**

On June 7, 2017, a representative from your company participated in a telephone conference with the Enforcement Committee to discuss an alleged rule violation. At that conference, an agreement was reached regarding penalties for the violation.

Enclosed are two sets of documents that contain a Complaint and a Stipulation. The Complaint serves as a formal notice to you of the violation you were charged with and requires that you Answer the allegation. Because you already reached an agreement with the Enforcement Committee, you do not need to submit an Answer. Instead, you need only sign and return the enclosed Stipulation in order to answer the Complaint. If you had not reached an agreement with the Enforcement Committee, filing an Answer would be your opportunity to admit or deny the allegation and, if denied, to ask for a formal hearing.

The Stipulation sets forth the terms and conditions of the agreement you reached with the Enforcement Committee. To finalize the settlement, **you must sign the original Stipulation and mail it within 20 days of the date of this letter to:**

Administrative Hearings Division  
201 High Street SE, Suite 100  
Salem OR 97308-1088**

The Commission should issue an order adopting the Stipulation within 30 days of its receipt. Please retain the extra copy of the Stipulation for your files.

If for some reason you no longer agree to the terms of the Stipulation, you **MUST FILE AN ANSWER TO THE COMPLAINT**, admitting or denying the allegation within 20 days, or a default order may be issued.

If there is a discrepancy between the formal Stipulation and the agreement reached at the meeting that causes you concern, please contact Kevin Hennessy (503) 378-6115.

Sincerely,

Johanna M. Riemenschneider

4 PUBLIC UTILITY COMMISSION OF  
OREGON,

5 Complainant,

6 v.

7 RICKABAUGH CONSTRUCTION, LLC,

8 Defendant.

STIPULATION FOR ENTRY OF ORDER

9  
10 The Public Utility Commission of Oregon, appearing by and through Johanna M.  
11 Riemenschneider, Assistant Attorney General, and Rickabaugh Construction, LLC, the  
12 Defendant herein, hereby stipulate as follows:

13 1.

14 A Complaint in this case is pending before the Commission charging the Defendant with  
15 one violation of law, OAR 952-001-0050.

16 2.

17 Both parties to this proceeding are willing to forego further processing of that Complaint  
18 and further are willing to resolve this matter on the basis of this Stipulation.

19 3.

20 The Defendant admits that the violation was committed as alleged in the Complaint and  
21 is willing for the Commission to enter an order finding that the violation was committed as  
22 alleged in the Complaint.

23  
24 ///

25 ///

26 ///

The parties further agree that the Commission may enter an order assessing civil monetary penalties against Defendant in the amount of \$1,000 under the following terms and conditions:

- A. Defendant must sign and return this Stipulation within 20 days of the date it was served upon (mailed to) Defendant.
- B. Payment of the penalty (\$1,000) is suspended and will be waived with no further penalties imposed for the violation alleged in the Complaint unless Defendant fails to comply with all of the terms of this Stipulation and all of the rules adopted by the Oregon Utility Notification Center (OUNC) under ORS 757.552 for a one-year period following the date of the Commission's entry of an order.
- C. Defendant must contact the OUNC Speakers Bureau online at [www.digsafelyoregon.com](http://www.digsafelyoregon.com) or by calling (503) 232-1987 to arrange for and ensure that all of Defendant's employees that engage in excavation activity as part of their job duties, including but not limited to notifying the Oregon Utility Notification Center of proposed excavations, attend a training session on Oregon excavation laws within 45 days following the entry of the Commission's order.
- D. Defendant must also contact Bill Walker at Cascade Natural Gas (CNG) by email [William.Walker@cngc.com](mailto:William.Walker@cngc.com) or by calling (541) 706-6290 and arrange for and ensure that all of Defendant's employees that engage in excavation activity as a part of their job duties attend an operator safety presentation provided by CNG within 45 days following the entry of a final order.
- E. Defendant must take a blank copy of the Training Verification form attached to this Stipulation as Attachment 1 to all required trainings scheduled under paragraphs 4.C. and 4.D. above. Defendant must ensure that all of its employees attending a required training sign a Training Verification form to verify attendance. A representative of

1 the organization providing the training (Instructor) must sign the Training  
2 Verification form to verify each person listed on the form completed the training.  
3 Defendant must return all completed Training Verification forms to Complainant at  
4 the address on the Form within 10 days of the date of the last training session and in  
5 no event later than 55 days following the date of the Commission's entry of an order  
6 in this docket.

7 F. In the event that Complainant contends that Defendant has not complied with all of  
8 the terms of this Stipulation and all OUNC rules for that one-year period,  
9 Complainant may reopen this proceeding and petition for imposition of all or a  
10 portion of the suspended penalties. In such case, Defendant is entitled to a notice and  
11 hearing on the basis upon which Complainant contends that compliance has not  
12 occurred.

13 G. Complainant's failure to enforce any provision of this Stipulation, or decision to  
14 waive any violation or nonperformance of this Stipulation in one instance, will not  
15 constitute a waiver by the Complainant of that provision, any other provision, or any  
16 other violation or nonperformance in another instance.

17 5.

18 This Stipulation is conditioned upon final approval of its terms by the Commission. If  
19 the Stipulation is not accepted in its entirety, it is deemed withdrawn.
