Re: Docket No. PCN 5 – In the Matter of Idaho Power Company’s Petition for Certificate of Public Convenience and Necessity.

Dear ALJ Mellgren,

I am following up my letter from last week, in which I indicated that Idaho Power would agree to withdrawing its Second Set of Data Requests to Greg Larkin on the condition that Mr. Larkin confirm that those medical records accurately portray his current situation. After conferring with Mr. Larkin, I can represent that, in lieu of responding to the Second Set of Data Requests, he affirms that the latest set of medical records produced by him on any particular condition or treatment, accurately reflects his current condition and treatment, without significant changes.

With that agreement, we believe that we have resolved all outstanding discovery disputes between Mr. Larkin and Idaho Power.

Thank you so much for your assistance in this process.

Respectfully submitted,

Lisa Rackner
