Why is Idaho Power responding for Judge Mellgren? I drafted the letter with Greg Larkin's approval. I directed the response to the Judge since Idaho Power's letter went to him. Idaho Powers original letter as well as this most recent one appear to me to be intended to get confirmation of language that Idaho Power is wanting the Judge to use and which I find ambiguous. I prefer to take direction from Judge Mellgren. This response will be provided to John Williams, but is not being formatted in a more formal manner as I am busy working with Greg to identifying data responses and testimony that appear to be vague, ambiguous or incomplete requiring cross examination.
