Judge Lackey,

Per your order of today, 9/4/20, Sierra Club provides the exhibit numbers of the documents we believe PacifiCorp has improperly designated as confidential. They are SC 410, 411 and 412. For any of these documents, the company has not specified the particular information it considers confidential in them; instead, it has designated them in their entirety. These are documents which date from 2003, 2005, and 2009, the latter being a public record submitted to a state agency. Please let us know if you need any additional information. Thank you.
