**PACIFICORP’S RESPONSE TO
SIERRA CLUB’S MOTION TO
COMPEL DISCOVERY
RESPONSES**

On August 7, 2020, Sierra Club filed a Motion to Compel Discovery Responses (“Motion”), seeking the disclosure of documents in response to Sierra Club Data Request 7.4. The documents that Sierra Club seeks to compel were unredacted versions of two Sierra Club exhibits filed in docket UE 246. Sierra Club’s Motion correctly states that PacifiCorp agreed to locate and provide the documents, subject to review of the information redacted in Sierra Club’s UE 246 exhibits. Given that the exhibits themselves were redacted and the age of the documents, PacifiCorp required additional time to locate unredacted versions. Sierra Club emailed PacifiCorp requesting a status update on July 29, 2020. Due to the press of business related to the number of issues in Parties’ rebuttal testimony and remote work environment, PacifiCorp inadvertently overlooked Sierra Club’s July 29, 2020 email. PacifiCorp has now posted responses on Huddle.

PacifiCorp contacted Sierra Club and agreed to provide this response to inform the Commission that the information has been made available.

Respectfully submitted this 7th day of August, 2020.
