5 The Application of Portland General Electric
6 Company for an Investigation into Least Cost
7 Revised Tariff Schedules for Electric Service

9 Company (UE 88),
10 Portland General Electric Company's
11 Application for an Accounting Order and for
Order Approving Tariff Sheets Implementing
Rate Reduction (UM 989).

STAFF RESPONSE TO PORTLAND GENERAL
ELECTRIC COMPANY'S MOTION FOR
LEAVE TO FILE SUPPLEMENTAL
TESTIMONY

12 Portland General Electric Company ("PGE") has asked the administrative law judge to
13 consolidate the phases of the above-captioned proceedings and re-open the record. PGE has also
14 asked for leave to file additional testimony and proposed a procedural schedule that would allow
15 staff and intervenors in these dockets to file response testimony, followed by PGE's rebuttal
16 testimony and a hearing. Staff supports PGE's request to consolidate the phases of these dockets
17 and allow additional testimony. However, staff does not support the procedural schedule
18 proposed by PGE because it does not allow sufficient time for staff and intervenors to file
19 responsive testimony.

20 PGE filed its supplemental testimony on January 31, 2007, and proposes that staff and
21 intervenors respond to this testimony on March 2, 2007. Because the administrative law judge
22 has not ruled on PGE's requests, staff has not begun preparing its responsive testimony. In light
23 of staff's current workload, staff asks that the administrative law judge give staff and intervenors
24
25
26

1 until March 30, 2007, to file responsive testimony. Staff also requests that the administrative law
2 judge allow at least two weeks between PGE's rebuttal testimony and the hearing in this matter.
