Re: Docket UG 388 – NW Natural Request for a Rate Revision.

Attention Filing Center:

NW Natural, Public Utility Commission of Oregon Staff, the Oregon Citizens' Utility Board, and the Alliance of Western Energy Consumers (collectively, "parties") jointly submit this status report in accordance with Administrative Law Judge ("ALJ") Kirkpatrick's March 31, 2020 Ruling ("Ruling").

On March 12, 2020, the parties filed a partial stipulation and a motion requesting waiver of the requirement in OAR 860-001-0350(7) to contemporaneously file supporting testimony with the stipulation. In that motion, the parties indicated that they planned to file joint testimony in support of the partial stipulation by April 21, 2020. ALJ Kirkpatrick's Ruling granted the motion for waiver and directed the parties to file testimony supporting the partial stipulation or a status report by April 21, 2020. The parties are continuing to work on the joint testimony supporting the partial stipulation, and plan to file the joint testimony, or a status report, by May 8, 2020.

Please contact this office with any questions.

Sincerely,

Jocelyn Pease
