Re: Docket No. UM 1276

Dear Judge Power:

This letter is intended to serve as the Status Report requested in your Corrected Memorandum issued on January 23, 2007, in which you requested that the parties confer on the remainder of the schedule and that Idaho Power report to you the consensus.

All parties have conferred and request that the remaining schedule in the case remain intact with one exception—the parties agree that the formulation of an issues list at this point in the case would not be particularly helpful. For that reason the parties request that the February 16 date for filing issues lists be removed from the schedule. Accordingly, the parties agree that the only two dates to remain on the schedule at this point in time should be:

April 2 Opening Comments

May 4 Closing Comments

Very truly yours,

A handwritten signature in black ink, appearing to read "Lisa F. Rackner".
