Re: Docket No. UM 1449, International Paper Company v. PacifiCorp

Dear Judge Pines:

On October 23, 2009, PacifiCorp filed a reply to International Paper Company's ("International Paper") response in opposition to PacifiCorp's motions to dismiss and for extension of time to answer. The cover letter included misleading information regarding the current status of this proceeding. The cover cites a press release stating that International Paper will close its Albany plant and states that "PacifiCorp is currently uncertain how this development will impact the above-captioned proceeding."

The PacifiCorp cover letter omits that counsel for PacifiCorp contacted this office on October 23 regarding the impact of the potential Albany plant closure on this proceeding. Counsel for PacifiCorp was informed that International Paper has no plans to withdraw its complaint at this time. International Paper continues to urge the Oregon Public Utility Commission to expeditiously resolve all issues in its complaint.

Sincerely yours,

Melinda J. Davison
