**RE: LC 70—Compliance Filing**

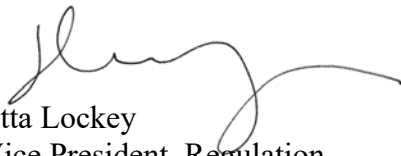

In accordance with Public Utility Commission of Oregon (Commission) Order No. 18-360 PacifiCorp d/b/a Pacific Power provides the enclosed materials supplementing its October 2, 2018 compliance filing that outlined the scope and major assumptions of its proposed coal analysis, subject to change.

The enclosed material provides the remaining workpapers addressing Commission staff's 14 bullet points from page 4 of 9 of Appendix A of Order No. 18-360. Please note that the company has not included a workpaper for capacity factors because it is not an input to the model, as discussed in the presentation slides from the October 4, 2018 workshop.

Confidential material has been provided under Order No. 18-216.

Please direct any questions or inquiries regarding this filing to Natasha Siores at (503) 813-6583.

Sincerely,

Etta Lockey  
Vice President, Regulation
