Re: LC 70—PacifiCorp Informational Filing on Customer Preference Agreements in Rocky Mountain Power’s Utah Service Territory

PacifiCorp, d/b/a Pacific Power (PacifiCorp) submits this informational filing in compliance with docket LC 70, Order No. 20-186.

In 2023, PacifiCorp entered into two contracts with an individual customer in Utah under the authority of Utah Tariff Schedule 34 – Renewable Energy Purchases for Qualified Customers. This schedule allows retail customers the opportunity to direct PacifiCorp to procure all or a portion of their retail load from an eligible renewable facility; the customer is subsequently billed under the terms of Schedule 34. PacifiCorp filed for a waiver of the competitive bidding and preapproval of significant energy resource decisions requirements in Utah which, the Utah Public Service Commission granted on March 23, 2023 in Docket No. 23-035-11. Consistent with the 2020 Protocol, these customer specific contracts are situs assigned to Utah and will **not** be included in Oregon customer rates. These contracts were signed on January 20, 2023, but are subject to conditions precedent before they are considered final. Provided as Highly Confidential Attachment A is a high level summary of the agreements.

The information provided in Highly Confidential Attachment A is highly protected information subject to Modified Protective Order No. 20-035. This information is considered commercially sensitive, non-public information related to contracts that customers have negotiated with developers and signed with PacifiCorp under Utah Schedule 34. Release of this information would put PacifiCorp and its customers at a disadvantage when negotiating future contracts with developers.

PacifiCorp respectfully requests that all communications related to this filing be addressed to:
