Re: UE-180 (PGE – General Rate Case)

Ms. Bailey-Goggins:

OPUC Staff requested that for the duration of Docket No. UE-180, PGE provide monthly reports for its net variable power costs by specific ledgers as well as PGE's power supply summary reports.

Attachment 1 contains a hardcopy of the information for January 2006 through September 2006.

Attachment 2 is an Excel file that contains the requested information. Both attachments are confidential and proprietary and subject to the Modified Protective Order in Docket UE-180 (OPUC Order No. 06-111). You will find these under separate cover.

Should you have any questions or require further information, please call me at 503-464-7580 or Linda Ecker at 503-464-7470.

Sincerely,

Patrick G. Hager  
Manager, Regulatory Affairs
