UF 4313 Compliance Filings

Avista Corp. is submitting the following information in compliance with the Commission's Order No. 19-249 under UF 4313 for the authorization to issue up to \$795,000,000 of securities. Information regarding this issuance has previously been provided to staff of the Commission.

On September 28, 2021 Avista Corp. funded \$70.0 million of \$140.0 million issued of 2.90 percent First Mortgage Bonds ("FMBs") due in 2051 under a bond purchase agreement with certain institutional investors in the private placement market. The new FMBs were issued under and in accordance with the Mortgage and Deed of Trust, dated as of June 1, 1939, from the Company to Citibank, N.A., trustee, as amended and supplemented by various supplemental indentures and other instruments.

In connection with pricing of the FMBs we cash settled four interest rate swap contracts and paid a total of \$17.2 million, which will be amortized as a component of interest expense over the life of the debt.

The total net proceeds from the sale of the new bonds were used to repay a portion of the borrowings outstanding under the Company's \$400.0 million committed line of credit.

Table 1.

Item	Dollar Amount	Percent of Total
Gross Proceeds	\$ 140,000,000	100.0%
Arrangement Fees	(560,000)	-0.40%
Proceeds Payable to Applicant	139,440,000	99.60%
Interest Rate Swaps	(17,244,100)	-12.32%
Title Insurance	(129,270)	-0.09%
Legal	(307,880)	-0.22%
Other Fees	(4,320)	0.00%
Net Proceeds¹	\$ 121,754,430	86.97%

The Company met the requirement to issue under Item 3-A of Order 19-249.

¹ The Company is expecting additional fees primarily related to additional legal expenses currently unbilled, which may reduce the Company's net proceeds.

² This filing is compliant with the Commission's Order No. 1 under docket UE-190554

The Company selected the private placement market for the following reasons:

- The offering size of this issuance
- The utilization of the delayed funding available in the private placement market. The delayed funding allowed the Company to lock in the coupon rate in September 2021, while delaying a portion of the cash proceeds until December 2021.

The Company issued these long-term fixed rate FMBs based upon the current low interest rate environment relative to historical average interest rates.

The seven interest rate swaps settled concurrently with the debt issuance were executed over the period 11/08/2013 to 02/26/2020 to mitigate interest rate risk exposure and were in accordance with our Accounting Policy for Interest Rate Hedging, Risk Management policies, and the Interest Rate Mitigation Plan.

Legal fees incurred on this transaction are compared to legal fees incurred on prior transactions for reasonableness.

To accompany the information above and to comply with the Commission's order 19-249 the Company is attaching the following three Exhibits:

The Company hereby acknowledges that, as of the date of this Sixty-fifth Supplemental Indenture, the real property located in the State of Washington, taken as a whole, that is so conveyed or intended to be so conveyed under the Mortgage is not used principally for agricultural purposes.

The property so conveyed or intended to be so conveyed under the Mortgage shall include, but shall not be limited to, the property set forth in Exhibit C hereto, the particular description of which is intended only to aid in the identification thereof and shall not be construed as limiting the force, effect and scope of the foregoing.

The Company further covenants and agrees to and with the Trustee and its successor or successors in such trust under the Mortgage, as follows:

ARTICLE I

(I) There shall be a series of bonds designated "First Mortgage Bonds, 2.90% Series due 2051" (herein sometimes referred to as the "Bonds of the Sixty-sixth Series" or the "Bonds"), each of which shall also bear the descriptive title First Mortgage Bond and the form thereof is set forth on Exhibit D hereto. The Bonds of the Sixty-sixth Series shall be issued as fully registered bonds in denominations of One Thousand Dollars and, at the option of the Company, any amount in excess thereof (the exercise of such option to be evidenced by the execution and delivery thereof) and shall be dated as in Section 10 of the Original Mortgage provided.

(II) The Bonds of the Sixty-sixth Series shall have the following terms and characteristics:

(a) the Bonds of the Sixty-sixth Series shall be limited in aggregate principal amount to \$140,000,000 (except for Bonds of such series authenticated and delivered upon transfer of or in exchange for, or in lieu of, other Bonds of such series);

(b) the Bonds of the Sixty-sixth Series may be authenticated and delivered in whole at any time or in part from time to time; all Bonds of the Sixty-sixth Series shall be identical in all respects, except that Bonds originally authenticated and delivered on different dates shall differ as to the Initial Interest Accrual Date (as hereinafter defined); and on and after the first Interest Payment Date (as hereinafter defined) to which interest on all Bonds of the Sixty-sixth Series then outstanding has been paid, all such Bonds shall be identical in all respects.

(c) the principal of the Bonds of the Sixty-sixth Series shall (unless theretofore paid) be payable on the Stated Maturity Date (as hereinafter defined);

(d) the Bonds of the Sixty-sixth Series shall bear interest at the rate of two and ninety one-hundredths per centum (2.90%) per annum; interest on the Bonds shall accrue from and including the Initial Interest Accrual Date, except as otherwise provided in the form of bond attached hereto as Exhibit D; interest on the Bonds shall be payable on each Interest Payment Date and at Maturity (as hereinafter defined); and interest on the Bonds during any period less than one year for which payment is made shall be computed on the basis of a 360-day year consisting of twelve 30-days months;

The interest on each Bond of the Sixty-sixth Series (other than interest payable at Maturity) shall be payable by check, in similar coin or currency, mailed to the registered owner thereof as of the close of business on the Record Date (as hereinafter defined) next preceding each Interest Payment Date; provided, however, that if such registered owner shall be a securities depository, such payment may be made by such other means in lieu of check as shall be agreed upon by the Company, the Trustee and such registered owner; and, provided, further, that, so long as any Bond of the Sixty-sixth Series shall be held by (i) the original purchaser thereof under the Bond Purchase Agreement (as hereinafter defined) or (ii) any other Institutional Investor (as hereinafter defined) that (A) is the direct or indirect transferee of such Bond from such original purchaser and (B) has made the same agreement relating to such Bond as such original purchaser made in Section 8.2 of the Bond Purchase Agreement, payment of principal of and premium, if any, and interest on such Bond of the Sixty-sixth Series shall be payable in the manner specified in the Bond Purchase Agreement. Interest payable at Maturity shall be paid to the person to whom principal shall be paid.

(f) (i) Prior to the Par Call Date (as hereinafter defined), the Bonds of the Sixty-sixth Series shall be redeemable in whole at any time, or in part from time to time, at the option of the Company at a redemption price equal to the greater of

(A) 100% of the principal amount of the Bonds being redeemed and

(B) the sum of the present values of the remaining scheduled payments of principal of and interest on the Bonds being redeemed (assuming, for this purpose, that the Bonds were stated to mature on the Par Call Date and excluding any portion of any scheduled payment of interest that accrued prior to the redemption date), discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at a discount rate equal to the Treasury Yield (as hereinafter defined) plus 50 basis points,

plus, in the case of either (A) or (B) above, whichever is applicable, accrued and unpaid interest on such Bonds to the date of redemption.

(ii) On or after the Par Call Date, the Bonds of the Sixty-sixth Series shall be redeemable in whole at any time, or in part from time to time, at the option of the Company at a redemption price equal to 100% of the principal amount of the Bonds being redeemed *plus* accrued and unpaid interest on such Bonds to the date of redemption.

(g) (i) “Par Call Date” means April 1, 2051.

(ii) “Treasury Yield” means, with respect to any redemption of Bonds of the Sixty-sixth Series,

(A) the yield to maturity reported in the Statistical Release, for the latest day for which such yields have been so reported as of the Calculation Date, for the U.S. Treasury constant maturity with a term equal to the remaining term of such Bonds (assuming, for this purpose, that the Bonds were stated to mature on the Par Call Date), or

(B) if there is no such U.S. Treasury constant maturity having a term equal to such remaining term, the yield to maturity determined by linear interpolation between (I) the U.S. Treasury constant maturity reported in the Statistical Release with the term next longer than such remaining term and (II) the U.S. Treasury constant maturity so reported with the term next shorter than such remaining term.

The Treasury Yield shall be rounded to two decimal places. The Treasury Yield shall be calculated as of the third Business Day (as hereinafter defined) preceding the earlier of (X) the date notice of redemption is mailed to holders of Bonds of the Sixty-sixth Series and (Y) the date irrevocable arrangements with the Trustee for the mailing of such notice shall have been made, as the case may be (the “Calculation Date”).

(iii) “Statistical Release” means the daily statistical release entitled “H.15 Selected Interest Rates”, or any successor publication, published by the Board of Governors of the Federal Reserve System, or any successor entity; or, if such Board of Governors no longer publishes the information contained in such statistical

release, a publication containing similar information published by the U.S. Department of the Treasury, or any successor or other U.S. governmental body.

(h) If less than all of the outstanding Bonds of the Sixty-sixth Series are to be redeemed, the principal amount to be redeemed shall be prorated among all of the holders of the Bonds in the proportion that their respective holdings bear to the aggregate principal amount of the Bonds outstanding on the date of selection. The portion of any Bond to be redeemed shall be in the principal amount of \$1,000 or an integral multiple thereof and such rounding allocations as may be requisite for this purpose shall be made by the Trustee in its uncontrolled discretion. The Trustee shall promptly notify the Company in writing of the distinctive numbers of the Bonds and the portions thereof so selected for redemption.

(i) Except as provided in this subsection (II) of Section 1,

(i) the Bonds of the Sixty-sixth Series shall not be redeemable prior to the Stated Maturity Date; and

(ii) no amount other than the principal of and interest on the Bonds of the Sixty-sixth Series shall be payable in respect of the Bonds at Maturity (as hereinafter defined) or otherwise.

(j) in the event of any conflict between the provisions of Section 12.2(c) of the Bond Purchase Agreement and the provisions of the Mortgage, Section 12.2(c) of the Bond Purchase Agreement shall govern.

(III) At the option of the registered owner, any Bonds of the Sixty-sixth Series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, shall be exchangeable for a like aggregate principal amount of Bonds of the same series of other authorized denominations.

The Bonds of the Sixty-sixth Series shall be transferable, upon the surrender thereof for cancellation, together with a written instrument of transfer in form approved by the registrar duly executed by the registered owner or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York.

Upon any exchange or transfer of Bonds of the Sixty-sixth Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other governmental charge, as provided in Section 12 of the Original Mortgage, but the Company hereby waives any right to make a charge in addition thereto or any exchange or transfer of Bonds of the Sixty-sixth Series; provided, however, that the Company shall not be required to make any transfer or exchange of any Bonds of the Sixty-sixth Series for a period of 10 days next preceding any Interest Payment Date or any selection of such Bonds for redemption, nor shall it be required to make any transfer or exchange of any Bonds of the Sixty-sixth Series which shall have been selected for redemption in whole or in part.

Any Bond of the Sixty-sixth Series authenticated and delivered upon the transfer or exchange of a Bond prior to the first Interest Payment Date to which interest on all

outstanding Bonds of the Sixty-sixth Series has been paid shall have the same Initial Interest Accrual Date as the Bond surrendered in such transfer or exchange.

Unless and until the Company shall have delivered to the Trustee a written order to the contrary, the Bonds of the Sixty-sixth Series shall bear a legend as to restrictions on transfer substantially as set forth below:

The Bonds evidenced hereby have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), and may not be offered, sold, pledged or otherwise transferred in contravention of the Securities Act.

(V) Notwithstanding the provisions of Section 106 of the Original Mortgage, as amended, the Company shall not cause any Bonds of the Sixty-sixth Series, or any portion of the principal amount thereof, to be deemed to have been paid as provided in such Section and its obligations in respect thereof to be deemed to be satisfied and discharged prior to the Maturity thereof unless the Company shall deliver to the Trustee either:

(a) an instrument wherein the Company, notwithstanding the effect of Section 106 of the Original Mortgage, as amended, in respect of such Bonds, shall assume the obligation (which shall be absolute and unconditional) to irrevocably deposit with the Trustee such additional sums of money, if any, or additional government obligations (meeting the requirements of Section 106), if any, or any combination thereof, at such time or times, as shall be necessary, together with the money and/or government obligations theretofore so deposited, to pay when due the principal of and premium, if any, and interest due and to become due on such Bonds or portions thereof, all in accordance with and subject to the provisions of Section 106; provided, however, that such instrument may state that the obligation of the Company to make additional deposits as aforesaid shall be subject to the delivery to the Company by the Trustee of a notice asserting the deficiency accompanied by an opinion of an independent accountant showing the calculation thereof (which opinion shall be obtained at the expense of the Company); or

(b) an Opinion of Counsel to the effect that the holders of such Bonds, or portions of the principal amount thereof, will not recognize income, gain or loss for United States federal income tax purposes as a result of the satisfaction and discharge of the Company’s indebtedness in respect thereof and will be subject to United States federal income tax on the same amounts, at the same times and in the same manner as if such satisfaction and discharge had not been effected.

(VI) Anything in this Sixty-fifth Supplemental Indenture or the Bonds of the Sixty-fifth Series to the contrary notwithstanding, any payment of principal of or premium, if any, or interest on any Bond of the Sixty-sixth Series that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; provided, however, that if the Maturity date of any Bond is a date other than a Business Day, the payment otherwise due at Maturity shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

The principal of and premium, if any, and interest on this bond payable at Maturity shall be payable to the registered owner hereof upon presentation hereof at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts. Interest payable at Maturity shall be paid to the person to whom principal shall be paid. As used herein, the term “Maturity” shall mean the date on which the principal of this bond becomes due and payable, whether at stated maturity, upon redemption or acceleration, or otherwise.

This bond is one of an issue of bonds of the Company issuable in series and is one of a series known as its First Mortgage Bonds, 2.90% Series due 2051, all bonds of all such series being issued and issuable under and equally secured (except insofar as any sinking or other fund, established in accordance with the provisions of the Mortgage hereinafter mentioned, may afford additional security for the bonds of any particular series) by a Mortgage and Deed of Trust, dated as of June 1, 1939 (the “Original Mortgage”), executed by the Company (formerly known as The Washington Water Power Company) to City Bank Farmers Trust Company and Ralph E. Morton, as Trustees (Citibank, N.A., successor Trustee to both said Trustees). The Original Mortgage has been amended and supplemented by various supplemental indentures, including the Sixty-fifth Supplemental Indenture, dated as of September 1, 2021 (the “Sixty-fifth Supplemental Indenture”), and, as so amended and supplemented, is herein called the “Mortgage”. Reference is made to the Mortgage for a description of the property mortgaged and pledged, the nature and extent of the security, the rights of the holders of the bonds and of the Trustee in respect thereof, the duties and immunities of the Trustee, the terms and conditions upon which the bonds are and are to be secured and the circumstances under which additional bonds may be issued. If there shall be a conflict between the terms of this bond and the provisions of the Mortgage, the provisions of the Mortgage shall control to the extent permitted by law. The holder of this bond, by its acceptance hereof, shall be deemed to have consented and agreed to all of the terms and provisions of the Mortgage and, further, in the event that such holder shall not be the sole beneficial owner of this bond, shall be deemed to have agreed to use all commercially reasonable efforts to cause all direct and indirect beneficial owners of this bond to have knowledge of the terms and provisions of the Mortgage and of this bond and to comply therewith, including particularly, but without limitation, any provisions or restrictions in the Mortgage regarding the transfer or exchange of such beneficial interests and any legend set forth on this bond.

The Mortgage may be modified or altered by affirmative vote of the holders of at least 60% in principal amount of the bonds outstanding under the Mortgage, considered as one class, or, if the rights of one or more, but less than all, series of bonds then outstanding are to be affected, then such modification or alteration may be effected with the affirmative vote only of 60% in principal amount of the bonds outstanding of the series so to be affected, considered as one class, and, furthermore, for limited purposes, the Mortgage may be modified or altered without any consent or other action of holders of any series of bonds. No modification or alteration shall, however, permit an extension of the Maturity of the principal of, or interest on, this bond or a reduction in such principal or the rate of interest hereon or any other modification in the terms of payment of such principal or interest or the creation of any lien equal or prior to the lien of the Mortgage or deprive the holder of a lien on the mortgaged and pledged property without the consent of the holder hereof. Each initial and subsequent holder of bonds of this series, by virtue of its acquisition of an interest therein, shall be deemed, without further act, to have consented to the prospective amendments to the Original Mortgage set forth or referred to in the Sixty-fifth Supplemental Indenture.

The principal hereof, together with all accrued and unpaid interest hereon (but without premium), may be declared or may become due prior to the Stated Maturity Date on the conditions, in the manner and at the time set forth in the Mortgage, upon the occurrence of a Completed Default as in the Mortgage provided.

As provided in the Mortgage and subject to certain limitations therein set forth, this bond or any portion of the principal amount hereof will be deemed to have been paid if there has been irrevocably deposited with the Trustee moneys or direct obligations of or obligations guaranteed by the United States of America, the principal of and interest on which when due, and without regard to any reinvestment thereof, will provide moneys which, together with moneys so deposited, will be sufficient to pay when due the principal of and premium, if any, and interest on this bond when due.

The Mortgage contains terms, provisions and conditions relating to the consolidation or merger of the Company with or into, and the conveyance or other transfer, or lease, of assets to, another corporation and to the assumption by such other corporation, in certain circumstances, of all of the obligations of the Company under the Mortgage and on the bonds secured thereby.

In the manner prescribed in the Mortgage, this bond is transferable by the registered owner hereof in person, or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York, upon surrender and cancellation of this bond, together with a written instrument of transfer whenever required by the Company duly executed by the registered owner or by its duly authorized attorney, and, thereupon, a new fully registered bond of the same series for a like principal amount will be issued to the transferee in exchange herefor as provided in the Mortgage. The Company and the Trustee may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment and for all other purposes.

In the manner prescribed in the Mortgage, any bonds of this series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of

Manhattan, The City of New York, are exchangeable for a like aggregate principal amount of bonds of the same series of other authorized denominations.

Any bond of this series authenticated and delivered upon the transfer or exchange of a bond prior to the first Interest Payment Date to which interest on all outstanding bonds of this series has been paid shall have the same Initial Interest Accrual Date as the bond surrendered in such transfer or exchange.

Prior to the Par Call Date (as hereinafter defined), the bonds of this series shall be redeemable in whole at any time or in part from time to time, at the option of the Company, upon notice mailed as provided in Section 52 of the Mortgage, at a redemption price equal to the greater of

(a) 100% of the principal amount of the bonds being redeemed and

(b) the sum of the present values of the remaining scheduled payments of principal of and interest on the bonds being redeemed (assuming, for this purpose, that the bonds of this series were stated to mature on the Par Call Date and excluding any portion of any scheduled payment of interest that accrued prior to the redemption date), discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at a discount rate equal to the Treasury Yield (as hereinafter defined) plus 50 basis points,

plus, in the case of either (a) or (b) above, whichever is applicable, accrued and unpaid interest on such bonds to the date of redemption.

On or after the Par Call Date, the bonds of this series shall be redeemable in whole at any time, or in part from time to time, at the option of the Company, upon notice mailed as aforesaid, at a redemption price equal to 100% of the principal amount of the bonds being redeemed *plus* accrued and unpaid interest on such bonds to the date of redemption.

“Par Call Date” means April 1, 2051.

“Treasury Yield” means, with respect to any redemption of bonds of this series,

(a) the yield to maturity reported in the Statistical Release, for the latest day for which such yields have been so reported as of the Calculation Date, for the U.S. Treasury constant maturity with a term equal to the remaining term of such bonds (assuming, for this purpose, that the bonds of this series were stated to mature on the par Call Date), or

(b) if there is no such U.S. Treasury constant maturity having a term equal to such remaining term, the yield to maturity determined by linear interpolation between (i) the U.S. Treasury constant maturity reported in the Statistical Release with the term next longer than such remaining term and (ii) the U.S. Treasury constant maturity reported in the Statistical Release with the term next shorter than such remaining term.

The Treasury Yield shall be rounded to two decimal places. The Treasury Yield shall be calculated as of the third Business Day preceding the earlier of (x) the date notice of redemption is mailed to holders of bonds of this series and (y) the date irrevocable arrangements with the Trustee for the mailing of such notice shall have been made, as the case may be (the “Calculation Date”).

“Statistical Release” means the daily statistical release entitled “H.15 Selected Interest Rates”, or any successor publication, published by the Board of Governors of the Federal Reserve System, or any successor entity; or, if such Board of Governors no longer publishes the information contained in such statistical release, a publication containing similar information published by the U.S. Department of the Treasury, or any successor or other U.S. governmental body.

Except as provided above, (a) the bonds of this series are not redeemable prior to the Stated Maturity Date and (b) no amount other than the principal of and interest on the bonds of this series shall be payable in respect of such bonds at Maturity or otherwise.

No recourse shall be had for the payment of the principal of or premium, if any, or interest on this bond against any incorporator or any past, present or future subscriber to the capital stock, stockholder, officer or director of the Company or of any predecessor or successor corporation, as such, either directly or through the Company or any predecessor or successor corporation, under any rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, stockholders, officers and directors being released by the holder or owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage.

This bond shall not become obligatory until Citibank, N.A., the Trustee under the Mortgage, or its successor thereunder, shall have signed the form of certificate endorsed hereon.
