RE: Docket UM 1012 – Compliance filing of Pacific Power

In compliance with Order No. 10-083 (Order) in the above-referenced docket, PacifiCorp d/b/a Pacific Power, submits this proposal to amortize the deferral for the difference in regulatory fees associated with this Order.

Regulatory Fee Deferral

The Order requires the Company to defer the difference between the fees payable under ORS 756.310 in 2010 calculated at 0.25 percent and at 0.15 percent. Accordingly, the Company has deferred \$1,193,891, which is calculated as shown below.

Revenue	\$ 1,193,890,559	\$ 1,193,890,559
Regulatory Fee	0.15%	0.25%
	<u>\$ 1,790,836</u>	<u>\$ 2,984,726</u>
Difference		\$ 1,193,891

Proposed Amortization

The Order also requires the Company to file by July 1, 2010, a proposal and request to amortize all or a portion of the deferral. The Company is proposing to amortize this deferral by applying the full amount as an offset to the balance for the Transition Plan-Oregon Regulatory Asset Adjustment, Schedule 193. At the end of June 2010, the Company estimates the balance associated with Schedule 193 to be \$1.2 million. Concurrent with this filing, the Company is filing Advice No. 10-014 to cancel the surcharge in Schedule 193, effective August 1, 2010. Any over-collection of the balance will be transferred to the Miscellaneous Deferred Accounts balancing account.
