RE: UM-1484 CenturyLink/Qwest Merger, Condition 12 Compliance Filing –
Integration Status Report, Revised Confidential Attachment 2

Dear Commission:

On May 29, 2012, pursuant to docket UM 1484, Order No. 11-095 ("Order"), CenturyLink filed its Integration Status Report in compliance with Condition 12 which requires a report of: 1) substantive integration activities; 2) costs and projected savings of integration; 3) organizational and staff force changes in Oregon operations; and 4) impacts on Oregon operations and customers. Included in that filing was Confidential Attachment 2 which provided information on estimated synergies and integration costs associated with the CenturyLink/Qwest merger.

The purpose of this filing is to provide a revised Confidential Attachment 2 which reflects changes to the "Integration Costs" section of the schedule. There were no changes to the estimated synergies portion of the report. The information that changed is shown in italics.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Ron L. Trullinger".
