Diane,

As per another recent email, Wayne is required to:
Provide a report to the OPUC upon completion of the project showing:

- a. Final project cost, and
- b. Completion date.

This email covers his requirement. Please use this as his compliance filing.

Thank you,

Russ

Hello Russ

Hillsboro Pump came out today with their vacuum truck and slurried out the three valves 6 feet down they were able to make the valves work and freed them up we need to exercise them now continually for a few months but the problem has been solved attached is the bill they sent me thanks so much Wayne Rodgers

Please use caution when opening links, attachments or responding to this email as it originated outside of PUC.
