

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 374

In the Matter of
PACIFICORP d/b/a PACIFIC POWER,
Request for a General Rate Revision

SIERRA CLUB'S OBJECTION TO
DESIGNATION OF CERTAIN
INFORMATION AS CONFIDENTIAL

Sierra Club hereby objects to PacifiCorp's designation of the following records as confidential:

1. Confidential Attachment to Sierra Club 7.4-1 1st Supplemental

This is 2003 document analyzing emission reduction technology options in order to comply with clean air requirements. Due to the age of this document, it does not contain any proprietary business secrets.

2. Confidential Attachment to Sierra Club 7.4-2 1st Supplemental

This is a 2005 document analyzing federal Clean Air Act compliance options. Due to the age of this document, it does not contain any proprietary business secrets.

3. PacifiCorp Response to Sierra Club Data Request 9.6

This document is a letter sent to the Wyoming Department of Environmental Quality in 2009. Not only is this document a public record, as it was sent to a state agency, but it is also now more than 11 years old. There is no reasonable basis for PacifiCorp to claim a confidential proprietary interest in this document.

Sierra Club certifies that it made reasonable efforts to achieve informal resolution. Specifically, Sierra Club's counsel contacted counsel for PacifiCorp on August 28, 2020, August

29, 2020, and September 2, 2020 in an attempt to informally resolve this issue. However, such attempts have not been successful.

In light of the impending hearing, scheduled to begin on September 9, 2020, Sierra Club requests expedited consideration of this objection.

Dated: September 3, 2020

Respectfully submitted,
