

April 18, 2023

Dear Judge Mellgren,

Per your memo yesterday informing intervenors to submit all final exhibits and Data Requests for testimony by today at 3 p.m., I am submitting these additional Cross Exhibits for Stop B2H Coalition which were not originally sent. These are only a list --not re-produced/copied-- due to their confidential nature. However my cross-examination will not address confidential material and therefore we do not seek a confidential session.

I am serving a copy of this list to:
Mr. John C. Williams, Intervenor

Thank you,

Jim Kreider
Stop B2H Coalition
