**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

In the Matter of

AR 638/UM 2207

PACIFICCORP'S 2022 WILDFIRE
PROTECTION PLAN

ROGUE CLIMATE'S
NOTICE TO REQUEST HB 2475 FUNDING

Rogue Climate submits this Notice that it seeks funding in the above referenced dockets. RC is a pre-certified eligible organization and AR 638, a rulemaking proceeding, and UM 2207, a related investigation proceeding, are eligible proceedings pursuant to Commission Order No. 22-043. They are not contested case proceedings.

AR 638 and UM 2207 directly affect PacifiCorp's (Pacific Power's) customers as the plan directs Pacific Power's activities to secure public safety, reduce risks to its customers, and promote system resilience in relation to increase wildfire frequency and severity. These activities will affect Pacific Power's low income resident customers and environmental justice communities represented by Rogue Climate.

For the foregoing reasons Rogue Climate respectfully requests the Commission deem the proceedings eligible, and acknowledge Rogue Climate's participation as an eligible organization

and its intent to request HB 2475 funding.
