Workshop Purpose

On October 11, 2021, Public Utility Commission of Oregon Staff (Staff) hosted a stakeholder workshop on its proposed draft rules. Prior to, and during the workshop, stakeholders requested more time to submit written comments and the opportunity for an additional workshop. In response to that request, Staff proposed a revised schedule which was posted to the docket on October 13, 2021.

The purpose of this workshop is to continue to gather feedback on Commission Staff's proposed draft rules posted to Docket AR 638 on September 29, 2021. [Staff's Proposed Draft Rules](#)

The workshops will be held virtually using Zoom. Details of the agenda will be distributed approximately one week before the schedule workshop.
