Updated Schedule: [Schedule Update](#)

3. Division 860-300 Proposed Draft Rules

Review rules and discuss concerns raised during last workshop and through initial written comments.

- *Discuss ways to maximize effectiveness of rules for notification and information sharing for communications providers before, during, and after PSPS.*
- *Discuss any other questions, issues, or ideas for Div. 300 that were not raised in previous workshop.*

4. Division 860-024 Proposed Draft Rules

Review rules and discuss concerns raised during last workshop and through initial written comments.

- *Continue the discussion of its proposed vegetation trim cycle requirements and have an open dialogue about the range of options to meet the objectives behind the proposed 3 year minimum*
- *Discuss the proposed policy for correction of all violations within 180 days of identification in High Risk Fire Zones*

5. Next steps

Review of schedule and rulemaking process. Providing written comments and further opportunities to comment during the rulemaking.
