---

1. Introduction and review of updated preferential curtailment rules
2. Main questions
  - Election windows: Timing for new and legacy customers to opt for curtailment.
  - Treatment of customers who opt for curtailment prior to operationalization.
  - Proposed definition for “excess generation” serving curtailable customers.
  - Process for a non-curtable customer to move to direct access upon return without sufficient notice.
3. Clarification on contested case determinations
  - Methodology for curtailment upgrade charges.
  - Size threshold and other requirements for curtable customers.
  - Level and structure of a cap on non-curtable load.
4. Remaining questions / comments on updated curtailment rules
5. Next steps
  - Determine whether any additional process is necessary.
  - Remaining schedule for the entire scope of AR 651.
