AR 676 Rulemaking General Rate Revisions HB 3179

Phase 1 Schedule Update

In the Matter of Rulemaking to Establish Multi-Year Rate Plan Framework (HB 3179 & SB 688 Implementation).

On March 25, 2026 posted the remainder of the AR 676 Phase 1 schedule to edockets linked here: https://apps.puc.state.or.us/edockets/DocketNoLayout.asp?DocketID=24739&Child=calendar. Since publication of the schedule, Staff has needed to adjust one of the dates due to internal updates to our filing system. Specifically, the PUC Filing Center and the discovery portal (Huddle) will be closed beginning on Thursday, May 28, 2026, through Tuesday, June 2, 2026, to replace these current systems with the new Valence docketing and discovery system. The Filing Center will not be able to process filings, and Huddle will not be available for discovery during this timeframe. The Filing Center will be accepting and processing filings at 8 a.m. on June 3, 2026.

In the original procedural schedule posted in this docket, a deadline of June 1, 2026, was identified for Staff to release its Final Phase 1 MRP Proposal. Because the June 1, 2026 proposal deadline falls within this closure period, Staff has modified the deadline to **June 4, 2026**. The schedule otherwise remains unchanged.
