**RE: LC 57 – PacifiCorp's 2013 Integrated Resource Plan
Responses to Workshop Requests 1-2**

PacifiCorp d/b/a Pacific Power submits an original and copies of the responses to the questions raised by the Commissioners during the August 6, 2014, LC 57 workshop.

If you have any questions, please call me at (503) 813-6389.

Sincerely,

R. Bryce Dalley
Vice President, Regulation

OPUC Workshop Data Request 1

OPUC Workshop Data Request 1

Please provide the month and year of PacifiCorp's votes supporting the decision to install selective catalytic reduction equipment at units 1 and 2 of the Hayden coal-fired generating plant.

Response to OPUC Workshop Data Request 1

November 2012.

OPUC Workshop Data Request 2

OPUC Workshop Data Request 2

Are there any provisions in the participation agreements for Hayden and Craig that govern dissolution of the joint ownership arrangement? If so, please describe those provisions.

Response to OPUC Workshop Data Request 2

No, there are no provisions governing dissolution of the joint ownership arrangement. It is typical for these types of contracts to have a finite term that is consistent with the expected operating life of the jointly owned plant.
