RE: LC 66 Errata Filing

Attached for filing is an Errata to Portland General Electric Company's (PGE) 2016 Integrated Resource Plan Update previously filed with the Commission on March 8, 2018. This Errata contains the following revision:

1. Table 2, page 15: corrected Winter and Summer Peak loads for the December 2016 Forecast and the corresponding Differences. The previous tables had the Winter and Summer Peak values and Differences transposed.

This information is being provided by electronic mail with the Filing Center and the LC 66 service list.

If you have any questions, please contact Lynn Latendresse at (503) 464-8370. Please direct all formal inquiries to the following e-mail address: pge.opuc.filings@pgn.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stefan Brown", is written over a light blue rectangular background.
