Pursuant to Section 7.2 of the Intervenor Funding Agreement,¹ the Oregon Citizens' Utility Board ("CUB") submits this request for final payment of \$5,648.00 of eligible expenses in docket LC 71 from the Northwest Natural Gas Company Issue Fund. CUB is automatically pre-certified under Section 5.1 of the Agreement.

On August 30, 2018, CUB submitted a (corrected) proposed budget showing \$30,000 in eligible expenses and requested a grant of \$24,000. The commission approved this request in Order No 18-328, dated September 10, 2018.

Under Section 7.2 of the Agreement, each Issue Fund Grand Request for Payment must:

- (a) *Itemize the expenses, payees and hourly rates for amounts to be reimbursed;*
- (b) *Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget;*
- (c) *Provide information sufficient to show that the intervenor has complied with any condition or requirement of the Issue Fund Grant, including, but not limited to, documentation sufficient to show that the intervenor has satisfied the matching fund requirement (i) set forth in Section 6.5 above or (ii) as the Commission may establish as a reasonable condition on Issue Fund Grants, whichever applies; and*
- (d) *Specify whether the request for payment is for a progress payment or partial payment in full and indicate whether any approved budget*

amount may be released back to the applicable Issue Fund because the intervenor does not intend to request payment for the full approved budget amount.

- (a) Confidential Attachment A contains a summary of CUB's expenses in this case, that CUB has incurred since our interim payment request. Confidential Attachment B provides a list of CUB activities by date and Intervenor Funding Task Category. Confidential Attachment C is a copy of the invoice to Northwest Natural, including travel cost details, if applicable.
- (b) The expenses incurred are reasonable and directly attributable to the issues and positions CUB addressed in LC 71 on behalf of residential customers. In support of this assertion, we supply Confidential Attachments A, B and C which can be compared to CUB's Issue Fund Budget in this case.
- (c) CUB has satisfied the matching fund requirement as demonstrated in Attachment A, the summary of CUB's expenses.

In this filing, CUB requests a final payment of its costs in LC 71 amounting to \$5,648.00. CUB's expenses in this docket before the 20% discount amount to \$7,060.00. CUB releases the balance back to the Northwest Natural Issue Fund. (*See Confidential Attachment A, CUB Expense Summary.*) The attached documents should allow the Commission to track the time spent on the elements of the case, and we believe that this filing meets the requirements of the Commission.

Respectfully submitted,
April 17th, 2019
