**Re: Docket No. PCN-5 – In the Matter of IDAHO POWER COMPANY, Petition for Certificate of Public Convenience and Necessity.**

Attention Filing Center:

In accordance with Administrative Law Judge Mellgren's November 2, 2022 Memorandum requesting that Idaho Power re-file its Petition for a Certificate of Public Convenience and Necessity, Testimony, and Supplement to Petition in smaller file sizes due to limitations of the Public Utility Commission of Oregon's (Commission) docketing system, Idaho Power has broken up its filings, created a table of contents for each filing, and separately re-filed its documents with the Commission.

If you have any questions about these re-filings, please do not hesitate to contact me.

Respectfully submitted,

---
