Subject: 5-year check in

Paul,

Would this suffice for our 5-year check in report or do we need something more?

Eastern Oregon Telecom
Pole Inspection Report

Number of Contacts Poles owned by

2913 Umatilla Electric / Hermiston Energy Services

258 Pacificorp

81 Centurylink

0 Eastern Oregon Telecom

These operators inspect their poles per PUC requirements, and in doing so inspect EOT's attachments as well. They provide to EOT a list of the violations via NJUNS. In their inspecting 10% of their plant per year, our attachments are also getting inspected at 10% per year. EOT does not currently own any poles.
