RE: UG 170, UG 171, UE 177, UE 178

Dear ALJ Grant,

There is currently a status conference scheduled for January 19, 2007 in each of these respective dockets. After holding workshops in each docket, the parties attending have not identified any contested issues in these filings. As a result, the attending parties agree that there is not need for the scheduled status conferences and respectfully request that they be cancelled.

The attending parties also agree that the remainder of the contested case procedural schedule should be suspended as no contested case issues have been identified. As contemplated in ALJ Grant's Prehearing Conference Memorandum issued November 2, 2006, Staff intends to present the tax reports to the Commission at the first Public Meeting in April.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Jason W. Jones
