Subject: UE 233- Status Update

Dear Judge Arlow,

As you will recall, at the time of the prehearing conference we informed Your Honor that Idaho Power and CUB had a dispute regarding discovery that we hoped we would be able to resolve on our own. In addition, the parties were to confer about turn-around times for data requests. According to the prehearing conference memorandum, we were to provide you with an update as to our discussions on these matters. The purpose of this email is to inform Your Honor that Staff, CUB and IPCO are still conferring and we will advise you as soon as possible of the results of our discussions both about discovery deadlines and the highly confidential protective order.

Thank you for your assistance in this matter.
