Judge Grant I am sorry but I am out of state from November 9 and not back in town until November 20 (NASUCA and family vacation) and then only for two days before Thanksgiving.

Having experienced three briefs in the NWN docket we really do not think that three are necessary. With detailed pre-hearing briefs only one posthearing brief is necessary.

Judge Grant –

PacifiCorp is fine with CUB's proposed changes, with the exception of having only one posthearing brief. We would propose an opening brief on November 7 (to accommodate the time it takes to receive a transcript) and a reply brief on November 14.

Thank you,
Sarah

Judge Grant:

Thank you for taking time to try and work out an alternate schedule.

CUB respectfully offers the proposal set forth below in red. CUB is down an attorney due to a death in Sommer's family that has taken her out of state. CUB would have had to ask for a postponement of the briefing and hearing if the Commission had not.
