Re: UE 390 Hearing

Dear Administrative Law Judge Rowe:

In response to the Memorandum Regarding Remote Hearing Procedures issued yesterday, Calpine Energy Solutions, LLC (“Calpine Solutions”) provides a clarification to the materials that are likely to be used in cross examination by Calpine Solutions. It is likely that cross examination of PacifiCorp witness Robert Meredith will include reference to the opening testimony and exhibits of Calpine Solutions, to which Robert Meredith responded. Therefore, Calpine Solutions/100-102 should be included among the shaded materials in the table on page 5 of the Memo as an item the Administrative Law Judge and Commissioners will have available.

Sincerely,

/s/ Gregory M. Adams
