7 Request for a General Rate Revision.

SETTLEMENT STATUS UPDATE

8 Staff of the Oregon Public Utility Commission (“Staff”) submits this Settlement Status
9 Update in accordance with the procedural schedule adopted by the Administrative Law Judge on
10 December 4, 2024. All parties to this docket met for a settlement conference on March 12 and
11 March 17, 2025. As a result of those meetings, parties to this docket have agreed to a settlement
12 in principle that resolves all issues raised by Avista’s request for a general rate revision.

13 The parties are currently working on a written stipulation and supporting testimony to
14 memorialize the agreement in principle. Parties anticipate filing a request to suspend the current
15 procedural prior to April 8, 2025, the due date for Avista’s Reply Testimony, and to substitute
16 another schedule that allows for Commission review of the Final Stipulation.

17 DATED this 19th day of March 2025.

18 Respectfully submitted,
