Subject: UM 1121: URP report on status of Application for Certification

A letter from Matthew Perkins distributed yesterday stated that ICNU and the Applicants would report to Judge Smith today on the status of resolving the Applicants' Motion for Certification.

URP also responded to the Application for Certification and also requested the same information from the Applicants.

URP reports that Applicants have not yet, to my knowledge, provided to URP the list of 15 top investors in TPG III and TPG IV. Even if such information had been provided, URP would continue to request the identities of the investors in both funds.

Applicants have not attempted to contact URP on the subject of the Application for Certification.

This email is bcc'ed to the UM 1121 service list, current as of today.
