

**PUBLIC UTILITY COMMISSION OF OREGON
INTEROFFICE CORRESPONDENCE**

DATE: January 29, 2007

TO: Administrative Hearings Division

FROM: Lisa Schwartz 

SUBJECT: Supplemental Filing of Portland General Electric (PGE) Advice No. 06-26,
UM 1129 compliance filing pursuant to Order No. 06-538

On October 20, 2006, PGE filed Advice No. 06-26 with a requested effective date of November 20, 2006, pursuant to Order No. 06-538 (Docket UM 1129). At its public meeting on November 7, 2006, the Commission suspended the filing to provide staff sufficient review time.

During the investigation, staff identified a limited number of changes for full compliance with the order. The changes in part reflected comments staff received during the review period from the Oregon Department of Energy and a small Qualifying Facility owner.

On January 23, 2007, PGE made a supplemental filing that incorporates staff's requested changes. I find the amended filing complies with Order No. 06-538.

Consistent with Commission requirements for suspended tariff filings, the company requested a May 20, 2007, effective date for the amended filing. However, the company states in its accompanying letter that it anticipates the Commission will approve the amended filing soon. The company will then issue tariff sheets and standard contracts with new effective dates.
