Re: UM 1374 – Supplemental Submission from the Oregon Independent Evaluators
Boston Pacific Co. – Chehalis Power Generating Plant

Dear Judge Kirkpatrick:

Enclosed with this letter is a document entitled “Supplemental Analysis of PacifiCorp’s Waiver Request for the Chehalis Power Generating Plant” that staff is submitting in PUC Docket UM 1374 on behalf of one of the Oregon Independent Evaluators, Boston Pacific. Please note that this supplemental report from Boston Pacific is not complete at this time. The full report will include Exhibit Three which contains highly-confidential data responses from PacifiCorp. Staff will file this exhibit immediately upon receipt (expected to be delivered July 3, 2008).

The attached document contains highly-confidential Non-Public Information that should only be disclosed and distributed in accordance with your Special Protective Order (Order No. 08-326). I am submitting this highly-confidential Non-Public Information Final Report in the manner specified by the Special Protective Order (i.e. on green paper that is placed within a sealed, marked, envelope).

Please note that I am not serving the Non-Public Information on any UM 1374 party. Any party desiring to view this highly-confidential information must first comply with the Special Protective Order’s requirements and then submit a request for copies of such information directly to the Public Utility Commission’s Administrative Proceedings Division.

Sincerely,

Michael T. Weirich
Assistant Attorney General
Regulated Utility & Business Section
