Report #7 – Network Improvement Plan – CETCs Only

Per Docket No. UM 1217, Order No. 06-292, competitive ETCs (CETCs) must file network improvement plans annually for recertification purposes. Appendix A of the order details the information that must be included in such plans. Only CETCs must file these plans for annual recertification purposes; ILECs are not required to file such plans. CETCs that receive *only* low-income program support (no high-cost or access-related support) do not have to file network improvement plans. CETCs are strongly encouraged to use the template in the attached Excel worksheets for their network improvement plans. This template incorporates all the items of information required by the order.
