- B. Basic local usage service offerings are **not** filed under tariff with the Oregon PUC. Submit the following information for each basic service offering that includes local usage allowances (unlimited or limited): 1) plan’s name, 2) advertised public description, 3) number of local minutes included, 4) calling area included, and 5) rates and charges. Include basic offerings for both residence and business services.

1.2. Comparable Local Usage Plan – CETCs only

The carrier certifies that it offers at least one basic local usage plan that is comparable to those offered by the ILECs in its designated service area: yes no

Identify which of the plans in 1.1.B above are “comparable” to the ILEC local usage offerings, and explain the basis for the comparability. _____

1.3. Supported Services Not Provided – CETCs only

Identify any supported services that were not available at designation, but were to be provided as a condition of ETC designation (e.g., toll restriction for qualifying low-income consumers, E911): _____

Are these services provided currently? yes no

If no, explain why not: _____

1.4. Equal Access Acknowledgement – CETCs only

The carrier acknowledges that it may be required to provide equal access if it is the only remaining ETC in an area: yes no

Report #2 – Unfulfilled Service Requests

2.1. Unfulfilled Service Requests/Held Orders – All ETCs

Choose **either A. or B.** below, as applicable:

- A. ___ Service quality reports for “primary held orders over 30 days” were filed with the Oregon PUC for calendar year 2007. No additional submission is required for recertification purposes.
- B. **XX** Service quality reports for “primary held orders over 30 days” were **not** filed with the Oregon PUC for calendar year 2007. In this case, choose **one** of the following alternatives for reporting:
1. **XX** The number of customer requests for supported services that were not fulfilled during calendar year 2007: 0 .
If greater than zero, include an attachment noting for each such request, the location (address) of the request and a description of attempts to provide service.
 2. ___ The number of “primary held orders over 30 days” (as defined in Section 860-034-0390 of the Oregon Commission rules) for calendar year 2007: _____.
If greater than zero, include attachment noting for each such held order, the reason the order was held and the original commitment date.

2.2. Service Request Processing - CETCs only

Submit a description of how the carrier ensures that every request for service that cannot be immediately fulfilled is recorded and processed under the 6-step process set forth in 47 CFR Section 54.202(a)(1)(i).

**Report #3 – Evidence of Advertising for Basic Supported Services
(excluding low-income/lifeline) – All ETCs**

Describe how basic supported services were advertised during calendar year 2007 throughout the designated service area. List the types of media used, advertising frequencies and geographic coverage. Attach examples of actual advertisements, noting dates, specific distribution methods, and target geographical populations, sufficient to demonstrate that basic supported services and rates were advertised **throughout** the designated service area in 2007.

SEE ATTACHED

Report #4 – Low-income Services – All ETCs

4.1. Number of Lifeline Customers – All ETCs

The total number of customers receiving Lifeline discounts during the month of December 2007 in the designated service area: 72 .

CETCs only - also list counts by ILEC service area as follows:

<u>ILEC Svc Area</u>	<u>No. of Lifeline customers</u>
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

4.2. Advertising of Low-Income Program Service Offerings – All ETCs

Submit copies of all advertisements (for all media) for Lifeline, LinkUp, and OTAP service offerings that were run during calendar year 2007, noting media (newspaper name, radio station, bill inserts, internet postings, etc.), run/distribution dates, and geographic coverage area.

SEE ATTACHED

Report #5 – Outage Report – All ETCs

Choose either A. or B. below, as applicable:

A. XX Carrier was required to report service outages (as defined in Oregon PUC Rules at Sections 860-034-0390(9) for small telecom utilities, 860-023-0055(9) for large telecom utilities, and 860-032-0012(9) for competitive telecom providers) to the Oregon PUC during year 2007. No additional submission is required for recertification purposes.

B. _____ Carrier was *not* required to report service outages (as defined in Oregon PUC Rules at Sections 860-034-0390(9) for small telecom utilities, 860-023-0055(9) for large telecom utilities, and 860-032-0012(9) for competitive telecom providers) to the Oregon PUC during year 2007. Select #1 (wireline carriers) or #2 (wireless carriers) below.

1. _____ The number of service outages, as defined in Oregon PUC rules, that occurred during calendar year 2007 was _____.

If the number was greater than zero, attach a report that lists for each such outage the following: the date and time of onset, a brief description of the outage and its resolution, the particular services affected, the geographic areas affected, steps taken to prevent a similar future occurrence, and the number of customers affected.

2. _____ The number of service outages, as defined in FCC rules at 47 CFR Section 54.209(a)(2), that occurred during calendar year 2007 was _____.

If the number was greater than zero, attach a report that lists for each such outage the following: the date and time of onset, a brief description of the outage and its resolution, the particular services affected, the geographic areas affected, steps taken to prevent a similar future occurrence, and the number of customers affected.

Report #6 – Trouble Report – All ETCs

Choose **either A. or B.** below, as appropriate:

A. ____ Trouble reports were filed with the Oregon PUC for calendar year 2007 per Oregon PUC service quality rules. No additional submission is required for recertification purposes.

B. **XX** Trouble reports were **not** filed with the Oregon PUC during calendar year 2007. In this case, choose **one** of the following alternatives for reporting:

1. ____ The average monthly number of customer trouble reports received per 100 wireless handsets for supported services during calendar year 2007, for each company switch.

<u>Trouble Type</u>	<u>Switch A (location)</u>	<u>Switch B (location)</u>
No service	_____	_____
Network busy	_____	_____
Interruption of service	_____	_____
Poor reception	_____	_____

2. **X** The average monthly number of customer trouble reports, as defined in Section 860-034-0390 (5) of the Oregon PUC rules, per 100 access lines, received during calendar year 2007: 3% per month, per 100 working access lines.

Report #7 – Network Improvement Plan – CETCs Only

Per Docket No. UM 1217, Order No. 06-292, competitive ETCs (CETCs) must file network improvement plans annually for recertification purposes. Appendix A of the order details the information that must be included in such plans. Only CETCs must file these plans for annual recertification purposes; ILECs are not required to file such plans. CETCs that receive *only* low-income program support (no high-cost or access-related support) do not have to file network improvement plans. CETCs are strongly encouraged to use the template in the attached Excel worksheets for their network improvement plans. This template incorporates all the items of information required by the order.

Report #8 – Special Commitments/Requirements – CETCs only

Did the Oregon PUC impose any special commitments or requirements at initial designation or during the previous annual recertification process? yes ____ no ____.

If yes, identify the commitments or requirements and explain if, and how, they have been met.

Report #9 – Certifications - All ETCs

9.1. IAS or ICLS Certification Copy – All ETCs Receiving IAS and/or ICLS

All ETCs receiving interstate access-related support (IAS or ICLS) must submit a copy of the certification for the use of IAS or ICLS support that was sent to USAC and the FCC in June 2008.

SEE ATTACHED

9.2. Certification of Use of Universal Service Funds – All ETCs receiving HCL and/or LSS (Rural ILECs and CETCs Designated in Rural ILEC Areas)

To continue receiving traditional high cost support (HCL, LSS), ETCs must submit a notarized affidavit signed by a responsible company official certifying that the carrier will use the high cost support funds only for the intended purposes. Use of the sample affidavit form displayed on the following page is recommended.

SEE ATTACHED

9.3. Certification of Emergency Functionality and Compliance with Service Quality and Consumer Protection Measures – All ETCs

Each ETC must submit a notarized affidavit signed by a responsible company official certifying that the carrier: 1) is able to remain functional in an emergency, and 2) is complying with all service quality and consumer protection measures in either the applicable Oregon Commission rules (for wireline carriers), the CTIA Consumer Code (for wireless carriers), or some other specific set of standards. All ETCs must submit this affidavit. A copy of an acceptable affidavit form follows the affidavit for high cost support.

Telephone Assistance Available To Mt. Angel Residents

Telephone assistance is available to eligible customers of Mt. Angel Telephone through three programs offered by the Public Utility Commission of Oregon:

1. Oregon Telephone Assistance Program/Link-Up America (OTAP)
2. Telecommunication Devices Access Program (TDAP)
3. Oregon Telecommunications Relay Service (OTRS)

The **Oregon Telephone Assistance Program** helps customers who receive Food Stamps, Supplemental Security Income (SSI), Temporary Aid to Needy Families (TANF), certain State Medical Programs or Medicaid with a monthly credit of \$13.50 on their telephone bill. **Link-Up America** will pay one-half of the line connection charges for new residential telephone service.

Report #4 – Low-income Services – All ETCs

4.2 Advertising of Low-Income Program Service Offerings – All ETCs

The **Oregon Telecommunication Devices Access Program** loans specialized telephone equipment (TTY, CapTel, Amplified Phones) at no cost and with no income restrictions to eligible Oregonians who are deaf, hearing, vision, speech and mobility impaired. **NEW!! The telephone is now on display in our office. Stop by and see if the telephone will meet your needs.**

The **Oregon Telecommunications Relay Service** is a telephone service accessible by dialing **711** that allows individuals with hearing or speech impairments to place and receive calls through a 3rd party operator using a TTY.

Another available service of the Telecommunications Relay Service is known as **CapTel** or captioned telephone. **CapTel** uses voice recognition technology that transcribes everything the other party says into written text. It allows deaf and hard of hearing people to speak and read captions that appear on the phone almost simultaneously. “Hidden” operators listen and restate the conversation of the hearing party into the voice recognition software. After receiving the CapTel, contact CapTel customer service to notify them of your long distance carrier at 1.888.269.7477.

To obtain application forms or for more information, please visit www.rspf.org or call the Oregon Public Utility Commission toll free at 1.800.848.4442 or 503.373.7171.

Application forms are also available at Mt. Angel Telephone, 155 N. Garfield St. in Mt. Angel.

Telephone Assistance Available To Mt. Angel Residents

Telephone assistance is available to qualifying residents. Two programs, Oregon Telephone Assistance and Link-Up America are available to all eligible customers of Mt. Angel Telephone. An additional program for special telecommunications equipment is available for hard of hearing and deaf residents.

- **Oregon Telephone Assistance Program** assists qualified low-income customers with a monthly credit of \$13.50 on their telephone bill.
- **Link-Up America** will pay one-half of the line connection charge to hook up a new telephone in the home.
