Dear Judge Arlow:

CenturyLink and Qwest do not object to the Joint CLECs' characterization, as described in their response to CenturyLink's Request for Clarification, of the scope of the supplemental testimony to be filed on November 12, 2010. Accordingly, CenturyLink and Qwest agree that any clarification of the Ruling Amending Schedule can state that the supplemental testimony should be limited to HSR documents provided subsequent to August 24, 2010 Intervenor Testimony deadline.

Sincerely,

Tre Hendricks
