BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON
UM 1713

In the Matter of:

PUBLIC UTILITY COMMISSION
OF OREGON

STATUS REPORT

Investigation into Large Customer Energy
Efficiency Limitations.

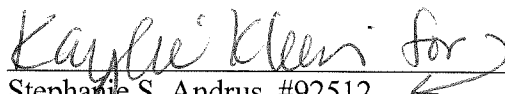

Staff of the Public Utility Commission of Oregon (Staff) makes this filing to report on the status of the above-captioned docket. Prior to the beginning of the 2016 Legislative Session, several stakeholders agreed upon a legislative concept to address issues precipitating this docket. That legislative concept has been drafted as a bill introduced in the 2016 Legislative Session.

The Legislative Session is scheduled to end in early March 2016. Staff will file another Status Report after the session concludes, or earlier if appropriate, to inform the Commission whether the Oregon Legislative Assembly has adopted a bill that addresses the issues underlying this docket. If the Legislative Assembly does not, Staff anticipates that it will ask for a pre-hearing conference to establish the remainder of the procedural schedule for this docket.

DATED this 9th day of February 2016.

Respectfully submitted,

ELLEN F. ROSENBLUM
Attorney General

Stephanie S. Andrus, #92512
Senior Assistant Attorney General
Of Attorneys for Staff of the Public Utility
Commission of Oregon,
