Subject: RE: UM 1729 CREA Request for Informal Discovery Dispute Resolution

ALJ Grant:

I am available this afternoon at the times Mr. Adams referenced; however, PacifiCorp would prefer to have the discovery conference set on Monday morning. Mr. Adams raised this issue yesterday while I was out of the office and travelling for work. I'm in settlement conferences most of the day today (although I can step out to participate in a discovery conference if need be), so my ability to respond to the arguments Mr. Adams presented this morning is limited. Mr. Adam's notice raises a broad range of issues, and due process would best be served by providing PacifiCorp with a reasonable amount of time to assess and develop a response to those arguments – particularly given the consequences of Mr. Adams' requests.

Thank you for considering this request.

Regards,
-Dustin

Judge Grant,

CREA and PacifiCorp have an ongoing discovery dispute, and CREA requests your assistance in resolving the dispute under OAR 860-001-0500(6).

I have attached CREA's summary of the dispute and request for resolution, as well as the parties' emails on the topic and the underlying data requests.

As noted in the attached submittal, CREA and PacifiCorp are available this afternoon from 1:00 to 3:00 and from 4:00 to 5:00. I am also available on Monday morning, however I am not certain of PacifiCorp's availability at that time.

I am not aware if other parties intend to participate in this dispute, but I have copied them all in the event that they might be affected.
