Re: In the Matter of PUBLIC UTILITY COMMISSION OF OREGON, Report to the
Legislature on Recommendations for Community Solar Program Designs and
Attributes
Docket No. UM 1746

Dear Filing Center:

Pursuant to the Oregon Public Utility Commission (“Commission”) Staff’s proposed schedule, filed in the above-referenced docket on July 21, 2015, the Industrial Customers of Northwest Utilities (“ICNU”) files this letter to notify the Commission and other interested parties to the proceeding that it does not have a community solar program design proposal. ICNU does, however, reserve its right to comment on proposals submitted by other parties and to otherwise participate fully in the proceeding.

Thank you for your assistance. If you have any questions, please do not hesitate to call.

Sincerely,

/s/ Tyler C. Pepple
